

transition brewing agreement. Between the two facilities MBC and KBC, we would have capacity, redundancy and true economies of scale to execute this plan completely free from ABI influence.

I have prepared a spreadsheet with data from my analysis of the publicly available information from the new brewery construction along with valuation metrics for the company. I can share this at the appropriate time in our discussion.

In closing we feel that the divestiture process was unfairly administered, and a buyer was selected for their clear ties to ABI and the desire to maintain influence. We are still an interested party and would like the opportunity to be considered as a buyer for the Kona Brewing assets within Hawai'i.

Sincerely,

/s/

Garrett W. Marrero

CEO, Founder,

Maui Brewing Co.
