

3. *Questionnaire About Employment or Self-Employment Outside the United States*—20 CFR 404.401(b)(1), 404.415, & 404.417—0960–0050. When a Social Security beneficiary or claimant reports work outside the United States (U.S.), SSA uses Form SSA–7163 to determine if foreign work deductions are applicable. Specifically, SSA uses Form SSA–7163 to determine: (1) Whether work performed by beneficiaries outside the U.S. is cause for deductions from their monthly benefits; (2) which of two work tests (foreign or regular test) is

applicable; and (3) the number of months, if any, for SSA-imposed deductions. SSA determines whether the annual earnings test applies to all earnings from work covered by the Act, including earnings from covered work performed outside the U.S. However, because of the differences in foreign currency values, it is administratively impractical to apply this test to earnings from non covered work performed outside the U.S. and base it on U.S. dollars. Accordingly, the 45-hour work test provides for deductions from the

benefits of employees under full retirement age who engage in non-covered remunerative activity for more than 45 hours in a calendar month. SSA asks beneficiaries working outside the U.S. to complete this form annually or every other year (depending on the country of residence). Respondents are beneficiaries or claimants for Social Security benefits who are engaged in work outside the United States.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **
SSA–7163	20,000	1	60	20,000	\$10.73 *	\$214,600 **

*We based this figure on average DI payments, as reported in SSA's disability insurance payment data (<https://www.ssa.gov/legislation/2020Fact%20Sheet.pdf>).

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. There is no actual charge to respondents to complete the application.

4. *State Mental Institution Policy Review Booklet*—20 CFR 404.2035, 404.2065, 416.635, & 416.665—0960–0110. SSA uses Form SSA–9584–BK: (1) To determine if the policies and practices of a state mental institution acting as a representative payee for SSA

beneficiaries conform to SSA's regulations in the use of benefits; (2) to confirm institutions are performing other duties and responsibilities required of representative payees; and (3) as the basis for conducting onsite reviews of the institutions and

preparing subsequent reports of findings. The respondents are state mental institutions serving as representative payees for Social Security beneficiaries and SSI recipients.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)	Average theoretical hourly cost amount (dollars) *	Total annual opportunity cost (dollars) **
SSA–9584	68	1	60	68	\$15.00 *	\$1,020 **

*We based this figure on average Personal Care and Service Workers hourly salary, as reported by Bureau of Labor Statistics data (<https://www.bls.gov/oes/current/oes390000.htm>).

** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*

SUPPLEMENTARY INFORMATION:

I. Background

China became a Member of the WTO on December 11, 2001. In accordance with section 421 of the U.S.-China Relations Act of 2000 (Pub. L. 106-286), USTR is required to submit by December 11 of each year, a report to Congress on China's compliance with commitments made in connection with its accession to the WTO, including multilateral commitments and any bilateral commitments made to the United States. In accordance with section 421, and to assist it in preparing this year's report, the TPSC is soliciting public comments. You can find last year's report on USTR's website at https://ustr.gov/sites/default/files/2019_Report_on_China%E2%80%99s_WTO_Compliance.pdf.

The terms of China's accession to the WTO are contained in the Protocol on the Accession of the People's Republic of China (including its annexes) (Protocol), the Report of the Working Party on the Accession of China (Working Party Report), and the WTO agreements. You can find the Protocol and Working Party Report on the WTO website at <http://docs.wto.org> (document symbols: WT/L/432, WT/MIN(01)/3, WT/MIN(01)/3/Add.1, WT/MIN(01)/3/Add.2).

II. Topics on Which the TPSC Seeks Information

The TPSC invites written comments on China's compliance with commitments made in connection with its accession to the WTO, including, but not limited to, commitments in the following areas:

- A. Trading rights.
- B. Import regulation (e.g., tariffs, tariff-rate quotas, quotas, import licenses).
- C. Export regulation.
- D. Internal policies affecting trade (e.g., subsidies, standards and technical regulations, sanitary and phytosanitary measures, government procurement, trade-related investment measures, taxes and charges levied on imports and exports).
- E. Intellectual property rights (including intellectual property rights enforcement).

F. Services.

G. Rule of law issues (e.g., transparency, judicial review, uniform administration of laws and regulations) and status of legal reform.

H. Other WTO commitments.

In addition, given the United States' view that China should be held accountable as a full participant in, and beneficiary of, the international trading system, USTR requests that interested persons specifically identify unresolved compliance issues that warrant review and evaluation by USTR's China Enforcement Task Force.

III. Public Participation

Due to COVID-19, the TPSC will foster public participation via written submissions rather than an in-person hearing on China's compliance with the commitments made in connection with its accession to the WTO. In accordance with the schedule set out in the Dates section above, USTR invites written comments from the public. The TPSC will review the comments and may pose written clarifying questions to the commenters. The TPSC will post the questions on the public docket, other than questions that include properly designated business confidential information (BCI). USTR will send questions that include properly designated BCI to the relevant commenters by email and will not post these questions on the public docket. Written responses to questions that contain BCI must follow the procedures in section IV below.

IV. Requirements for Submissions

In order to be assured of consideration, USTR must receive your written comments in English by 11:59 p.m. EDT on September 16, 2020. USTR strongly encourages commenters to make on-line submissions, using *Regulations.gov*. On the first page, please identify the submission as "China's WTO Compliance."

For further information on using *Regulations.gov*, please consult the resources provided on the website by clicking on 'How to Use Regulations.gov' on the bottom of the home page. USTR will not accept hand-delivered submissions.

Regulations.gov allows users to submit comments by filling in a 'type comment' field or by attaching a document using an 'upload file' field.

USTR prefers that you submit comments in an attached document. If you attach a document, it is sufficient to type 'see attached' in the 'type comment' field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If you use an application other than those two, please indicate the name of the application in the 'type comment' field.

Filers submitting comments containing no BCI should name their file using the name of the person or entity submitting the comments. Clearly mark any page containing BCI "BUSINESS CONFIDENTIAL" on the top of that page.
