

DEPARTMENT OF DEFENSE**Department of the Army; Corps of Engineers****Notice of Intent To Grant Partially Exclusive License of U.S. Patent Application No. 11/82,432 Entitled "A Method and System for Treating Metal-Containing Fluid Emissions" and U.S. Patent Application No. 10/931,232 "Perlite Sorbents for Vapor Phase Metals and Metals Compounds"**

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DOD.

ACTION: Notice.

SUMMARY: In accordance with 37 CFR 404.7(a)(1)(i), announcement is made of a prospective partially exclusive license for specific applications of small ammunition destruction, soil remediation from contaminants, and Municipal Solid Waste (MSW) recycling (converting waste products into reusable materials) in worldwide markets.

DATES: Written objections must be filed not later than 15 days following publication of this announcement.

ADDRESSES: United States Army Corps of Engineers Research and Development Center, Office of Technology Transfer and Outreach, ATTN: CEERD-OT (Ms. Bea Shahin), 2902 Newmark Drive, Champaign, IL 61822-1076.

SUPPLEMENTARY INFORMATION: Emissions from military deactivation furnaces contain toxic metal vapors and particulates at high temperatures reaching 1200 °F. Based on the speciation studies conducted by U.S. Army Engineer Research and Development Center, Construction Engineering Research Laboratory (ERDC-CERL) on emissions from deactivation furnaces, lead, cadmium, antimony and other metals released are in two phases as solid particulates and vapor phase. It is also observed that nearly 97% of the metals are in particulate form. Thus if we can capture the solid particulates, the metals emissions would be significantly reduced. However, it is necessary to capture the vapor phase metal compounds also to reduce the total emissions well below the National Emissions Standards for Hazardous Air Pollutants (NESHAP) standards. Thus ERDC-CERL has developed an emissions control system, Integrated Metal Emissions Control System (IMECS™) to capture the particulates

and the vapor phase metal compounds. The two patents involved here describe capturing particulate emissions as well as vapor phase toxic/hazardous compounds from combustion processes. The technology involves *Steel Screen Particulate (SSP) Filter System* that is capable of capturing the particulate material (including PM_{2.5}) followed by a *Perlite Based Sorbent (PBS)* fixed bed system. The IMECS™ can be operated at high temperatures and can significantly remove large quantities of lead and other metal compounds. The IMECS™ is compact and can be sized conveniently and integrated with mobile and stationary incinerator systems alike. Emissions of volatile and semi-volatile metal particulates as well as select organics may be captured from deactivation furnaces, solid waste incinerators, can be cost effectively controlled with the IMECS™.

Applicable Regulations section of this notice.

6. *Other Submission Requirements:* Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications

Applications for grants under the Alaska Native Education Program, CFDA Number 84.356A, must be submitted electronically using the Governmentwide *Grants.gov* Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Alaska Native Education Program at <http://www.Grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.356, not 84.356A).

Please note the following:

- When you enter the *Grants.gov* site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by *Grants.gov* are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the *Grants.gov* system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date and time stamped by the *Grants.gov* system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from

Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the *Grants.gov* system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through *Grants.gov*.

- You should review and follow the Education Submission Procedures for submitting an application through *Grants.gov* that are included in the application package for this competition to ensure that you submit your application in a timely manner to the *Grants.gov* system. You can also find the Education Submission Procedures pertaining to *Grants.gov* at <http://e-Grants.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via *Grants.gov*, you must complete all steps in the *Grants.gov* registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the *Grants.gov* 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via *Grants.gov*. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of

Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Assistance).

- You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from *Grants.gov* an automatic notification of receipt that contains a *Grants.gov* tracking number. (This notification indicates receipt by *Grants.gov* only, not receipt by the Department.) The Department then will retrieve your application from *Grants.gov* and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date. *Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System:* If you are experiencing problems submitting your application through *Grants.gov*, please contact the *Grants.gov* Support Desk, toll free, at 1-800-518-4726. You must obtain a *Grants.gov* Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the *Grants.gov* system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice and provide an explanation of the technical problem you experienced with *Grants.gov*, along with the *Grants.gov* Support Desk Case

Number. We will accept your application if we can confirm that a technical problem occurred with the *Grants.gov* system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the *Grants.gov* system. We will not grant you an extension if you failed to fully register to submit your application to *Grants.gov* before the application deadline date and time or if the technical problem you experienced is unrelated to the *Grants.gov* system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the *Grants.gov* system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the *Grants.gov* system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: (1) Alexis Fisher, U.S. Department of Education, 400 Maryland Avenue, SW., room 3W217, Washington, DC 20202–6200. Telephone: (202) 401–0821. FAX: (202) 260–8969, or (2) Erica Shephard, U.S. Department of Education, 400 Maryland Avenue, SW., room 3W205, Washington, DC 20202–6200. Telephone: (202) 205–3871. Fax: (202) 260–8969.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. Note: A permissible activity under this competition includes the construction, renovation, or modernization of an elementary school or secondary school, or of a structure related to an elementary school or secondary school, run by the Department of Education of the State of Hawaii that serves a predominately Native Hawaiian student body.

Priorities: In accordance with 34 CFR 75.105(b)(2)(iv), competitive preference priorities (1)(a) through (1)(d) are from section 7205(a)(2) of the ESEA (20 U.S.C. 7515(a)(2)).
