Magnet Schools Assistance Program

AGENCY: Office of Innovation and Improvement, Department of Education.

ACTION: Interim final rule; reopening comment period.

SUMMARY: On March 4, 2010, the Department of Education published in the **Federal Register** an interim final rule and requested comments on that rule for the Magnet Schools Assistance Program (MSAP). The rule became effective March 4, 2010, and the comment period for the interim final rule ended on April 5, 2010. During the comment period, the Department received requests asking that the Department extend the comment period for the interim final rule. This document announces the reopening of the comment period.

DATES: The Department reopens the public comment period for the interim final rule that was published in the **Federal Register** on March 4, 2010 (75 FR 9777). Comments must be received on or before May 17, 2010.

ADDRESSES: Submit your comments through the Federal eRulemaking Portal or via postal mail, commercial delivery, or hand delivery. We will not accept

comments by fax or by e-mail. Please submit your comments only one time, in order to ensure that we do not receive duplicate copies. In addition, please include the Docket ID at the top of your comments.

• **Federal eRulemaking Portal:** Go to <http://www.regulations.gov> to submit your comments electronically. Information on using Regulations.gov, including instructions for accessing agency documents, submitting comments, and viewing the docket is available on the site under "How To Use This Site."

SUPPLEMENTARY INFORMATION: The Department reopens the public comment period for the interim final rule that was published in the **Federal Register** on March 4, 2010 (75 FR 9777) because we have determined that a longer comment period would provide local educational agencies submitting grant applications under the MSAP for fiscal year (FY) 2010 funding and other interested parties an opportunity to submit comments on the interim rule after the May 3, 2010 application deadline date announced for the FY 2010 grant competition in the notice inviting applications published on March 4, 2010 (75 FR 9879).

The Department believes this approach will improve the quality of

information available for rulemaking, so the Secretary is reopening the comment period.

Dated: April 16, 2010.

James H. Shelton, III,

Assistant Deputy Secretary for Innovation and Improvement.
