

witnesses retained by a party as experts or consultants and court reporters that are required to record or transcribe testimony containing specific SSI and do not have a current security threat clearance required for access to classified national security information as defined by E.O. 12958 as amended. In order to determine if the individual may be granted access to SSI for this purpose, TSA will conduct a threat assessment that includes: (1) A fingerprint-based criminal history records check (CHRC), (2) a name-based check to determine whether the individual poses or is suspected of posing a threat to transportation or national security, including checks against terrorism, immigration or other databases TSA maintains or uses; and (3) a professional responsibility check (for attorneys and court reporters).

TSA will use the information collected to conduct the security threat assessment for the purpose of determining whether the provision of such access to the information for the proceeding presents a risk of harm to the Nation. The results of the security threat assessment will be used to make a final determination on whether the individual may be granted access to the SSI at issue in the case. TSA estimates that the total annual hour burden for this collection will be 180 hours, based on an estimated 180 annual respondents and a one-hour burden per respondent.

Notice of Intent To Solicit Nominations, Western Oregon Resource Advisory Committees

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Call for Nominations.

SUMMARY: The Secretary of the Interior is requesting 64 nominations for representatives to serve on the Coos Bay, Eugene, Medford, Roseburg, and Salem District Resource Advisory Committees (RACs). The Committees will advise the Secretary, through the Bureau of Land Management (BLM), on the selection and prioritization of projects funded under Title II of the Secure Rural Schools and Community Self-Determination Act. Terms will begin on the date of appointment and will expire three years from the date of appointment. The initial call for nominations, published in the **Federal Register** on April 29, 2010, did not result in a sufficient number of candidates to fill all vacant positions. Nominations received during the earlier Call for Nominations will be considered after this closing date, so applicants do not need to submit a new form.

DATES: Submit nomination packages to one or more of the addresses listed below, on or before August 30, 2010.

ADDRESSES: Advisory Council nomination forms are available at the District Offices in western Oregon, and completed nominations should be submitted to the office of the specific RAC where the applicant would serve:

SUPPLEMENTARY INFORMATION: The Secure Rural Schools and Community Self-Determination Act was extended to provide stability for local counties by compensating them, in part, for the decrease in funds formerly derived from timber harvests on Federal lands. Pursuant to the Act, the five Committees serve western Oregon BLM districts that contain Oregon and California grant lands and Coos Bay Wagon Road grant lands. Committees consist of 15 local citizens representing a wide array of interests.

The RACs provide a mechanism for local community collaboration with Federal land managers as they select projects to be conducted on Federal lands or that will benefit resources on Federal lands using funds under Title II of the Act.

Committee membership must be balanced in terms of the categories of interest represented. Prospective members are advised that membership on a Resource Advisory Committee calls for a substantial commitment of time and energy.

Any individual or organization may nominate one or more persons to serve on the Committees. Individuals may also nominate themselves or others. Nominees must reside within one of the counties that are (in whole or in part)
