

Unsafe Condition

(d) This AD results from fuel system reviews conducted by the manufacturer. We are issuing this AD to reduce the potential of ignition sources inside fuel tanks, which, in combination with flammable fuel vapors, could result in fuel tank explosions and consequent loss of the airplane.

Compliance

(e) You are responsible for having the actions required by this AD performed within the compliance times specified, unless the actions have already been done.

Note 1: This AD requires revisions to certain operator maintenance documents to include inspections. Compliance with these inspections is required by 14 CFR 91.403(c). For airplanes that have been previously modified, altered, or repaired in the areas addressed by these inspections, the operator may not be able to accomplish the inspections described in the revisions. In this situation, to comply with 14 CFR 91.403(c), the operator must request approval for an alternative method of compliance according to paragraph (j) of this AD. The request should include a description of changes to

the required inspections that will ensure the continued operational safety of the airplane.

Restatement of the Requirements of AD 2005–13–24**Modification and Installations**

(f) Within 12 months after July 29, 2005 (the effective date of AD 2005–13–24), do the actions in Table 1 of this AD in accordance with the Accomplishment Instructions of AvCraft Service Bulletin SB–328–00–445, dated August 23, 2004; or Revision 1, dated June 17, 2005.

TABLE 1.—REQUIREMENTS

Do the following actions—	By accomplishing all the actions specified in—
(1) Modify the electrical wiring of the left-hand and right-hand fuel pumps	Paragraph 2.B(1) of the service bulletin.
(2) Install insulation at the left-hand and right-hand flow control and shut-off valves, and other components of the environmental control system.	Paragraph 2.B(2) of the service bulletin.
(3) Install markings at fuel wiring harnesses	Paragraph 2.B(3) of the service bulletin.

Revision to Airworthiness Limitations

(g) Within 12 months after July 29, 2005, revise the Airworthiness Limitations section of the Instructions for Continued Airworthiness by inserting a copy of Dornier Temporary Revision ALD–080, dated October 15, 2003, into the Dornier 328 Airworthiness Limitations Document. Thereafter, except as provided in paragraphs (i) and (j) of this AD, no alternative inspection intervals may be approved for this fuel tank system.

New Requirements of This AD**Revised Initial Compliance Time**

(h) For Tasks 28–00–00–02 and 28–00–00–03 (“Detailed Inspection of Outer Fuel Tank harness internal, LH/RH,” and “Detailed Inspection of Inner Fuel Tank harness internal, LH/RH”), as identified in Dornier Temporary Revision ALD–080, dated October 15, 2003, or Section F, “Fuel Tank System Limitations,” of the Dornier 328 Airworthiness Limitations Document (ALD), Revision 15, dated January 15, 2005; the initial compliance time is within 8 years after the effective date of this AD. Thereafter, except as provided by paragraphs (i) and (j) of this AD, these tasks must be accomplished at the repetitive interval specified in Section F, “Fuel Tank System Limitations,” of the Dornier 328 ALD, Revision 15, dated January 15, 2005.

Later Revisions of the ALD

(i) After accomplishing the actions specified in paragraphs (g) and (h) of this AD, no alternative inspections, inspection intervals, or CDCCLs may be used unless the inspections, intervals, or CDCCLs are part of a later revision of Section F, “Fuel Tank System Limitations,” of the Dornier 328 ALD, Revision 15, dated January 15, 2005, that is approved by the Manager, International Branch, ANM–116, FAA, or the European Aviation Safety Agency (EASA) (or its delegated agent); or unless the inspections, intervals, or CDCCLs are approved as an alternative method of compliance (AMOC) in accordance with the procedures specified in paragraph (j) of this AD.

Alternative Methods of Compliance (AMOCs)

(j)(1) The Manager, ANM–116, International Branch, Transport Airplane Directorate, FAA, has the authority to approve AMOCs for this AD, if requested in accordance with the procedures found in 14 CFR 39.19.

(2) To request a different method of compliance or a different compliance time for this AD, follow the procedures in 14 CFR 39.19. Before using any approved AMOC on any airplane to which the AMOC applies, notify your appropriate principal inspector (PI) in the FAA Flight Standards District Office (FSDO), or lacking a PI, your local FSDO.

Related Information

(k) EASA airworthiness directive 2006–0197 [Corrected], dated July 11, 2006, also addresses the subject of this AD.

Issued in Renton, Washington, on May 14, 2008.

Ali Bahrami,

RIN 1625–AA09

**Drawbridge Operation Regulations;
Atlantic Intracoastal Waterway (AIWW),
Albemarle and Chesapeake Canal,
Chesapeake, VA**

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking; withdrawal.

SUMMARY: The Coast Guard is withdrawing its notice of proposed rulemaking concerning the proposed change to the regulations that govern the operation of the Centerville Turnpike (SR 170) Bridge, at AIWW mile 15.2, across the Albemarle and Chesapeake Canal in Chesapeake, Virginia. The requested change would have allowed the bridge to open on signal every hour on the half hour from 6:30 a.m. to 6:30 p.m., year round. The withdrawal is based on further investigation indicating that this change would not improve the schedule for both roadway and waterway users.

DATES: The proposed rule published on April 6, 2007 (72 FR 17065), is withdrawn on May 22, 2008.

ADDRESSES: The docket for this withdrawn rulemaking is available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. You may also find this docket on the Internet at <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice, call Bill H. Brazier, Bridge Management Specialist, Fifth Coast Guard District, at (757) 398–6422.

SUPPLEMENTARY INFORMATION:**Background**

On April 6, 2007, we published a notice of proposed rulemaking (NPRM) entitled “Drawbridge Operation

Regulations; Atlantic Intracoastal Waterway (AIWW), Albemarle and Chesapeake Canal, Chesapeake, VA" in the **Federal Register** (72 FR 17065). This rulemaking would have allowed the bridge to open on signal every hour on the half hour from 6:30 a.m. to 6:30 p.m., year round.

Withdrawal

The City of Chesapeake, which owns and operates this swing-type bridge, had requested a change to the existing regulations in an effort to improve the travel for mariners to arrive at the Great Bridge (S168) Bridge across the Albemarle and Chesapeake, at AIWW mile 12.0 at Chesapeake, (approximately three miles away).

The Coast Guard conducted a lengthy and thorough investigation with both roadway and waterway users. Our investigation revealed that the proposal would not improve the transit of waterway users because it would impose possibly hazardous and unnecessary delays on slower vessels, such as sailboats and trawlers, that are probably most of the transient vessels needing openings at the bridge. Additionally, all of the comments received during the comment period were in favor of keeping the current schedule.

Authority

This action is taken under the authority of 33 U.S.C. 499; 33 CFR 1.05-1; Department of Homeland Security Delegation No. 0170.1.

Dated: May 12, 2008.

Fred M. Rosa, Jr.,

Rear Admiral, United States Coast Guard, Commander, Fifth Coast Guard District.

[Docket No. USCG-2008-0256]

RIN 1625-AA09

Drawbridge Operation Regulation; Duwamish Waterway, Seattle, WA, Schedule Change

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to modify the drawbridge operation regulation for the Spokane Street Bridge across the Duwamish Waterway, mile

0.3, in Seattle, Washington, by establishing two daily closed draw periods Monday through Friday. The change is necessary to help alleviate roadway traffic and will do so by preventing traffic stoppages on either side of the bridge during high volume traffic periods. Large vessels would be exempted from the closed draw periods.

DATES: Comments and related material must reach the Coast Guard on or before July 21, 2008.

ADDRESSES: You may submit comments identified by the Coast Guard docket number USCG-2008-0256 to the Docket Management Facility at the U.S. Department of Transportation. To avoid duplication, please use only one of the following methods:

(1) *Online:* <http://www.regulations.gov>.

(2) *Mail:* Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590-0001.

(3) *Hand delivery:* Room W12-140 on the Ground Floor of the West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-366-9329.

(4) *Fax:* 202-493-2251.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call Austin Pratt, Chief, Bridge Section, Waterways Management Branch, 13th Coast Guard District, telephone 206-220-7282. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted, without change, to <http://www.regulations.gov> and will include any personal information you have provided. We have an agreement with the Department of Transportation (DOT) to use the Docket Management Facility. Please see DOT's "Privacy Act" paragraph below.

Submitting Comments

If you submit a comment, please include the docket number for this rulemaking USCG-2008-0256, indicate the specific section of this document to which each comment applies, and give

the reason for each comment. We recommend that you include your name and a mailing address, an e-mail address, or a phone number in the body of your document so that we can contact you if we have questions regarding your submission. You may submit your comments and material by electronic means, mail, fax, or delivery to the Docket Management Facility at the address under **ADDRESSES**; but please submit your comments and material by only one means. If you submit them by mail or delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov> at any time. Enter the docket number for this rulemaking (USCG-2008-0256) in the search box, and click "Go>>." You may also visit either the Docket Management Facility in Room W12-140 on the ground floor of the DOT West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays or the 13th Coast Guard District Waterways Management Branch at 915 Second Avenue, Seattle, WA 98174-1067 between 7:30 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

Privacy Act

Anyone can search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review the Department of Transportation's Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477), or you may visit <http://DocketsInfo.dot.gov>.

Public Meeting

We do not now plan to hold a public meeting, but you may submit a request for one to the Docket Management Facility at the address under **ADDRESSES** explaining why one would be beneficial. If we determine that a public meeting would aid this rulemaking, we will hold one at a time and place
