

Beneficiaries of Exemption

Any of MCA-Moldova, the Implementing Entities, and Vendors; as well as any Exempt Individual, importing or acquiring property or otherwise performing an act or action within the scope of the Compact that triggers payment of any tax included in the Tax Code, other than those addressed in Schedules A through Schedule H above (the “Other Taxes”).

Procedures

- Whereas the Other Taxes may be chargeable not only by the tax offices, but also by third parties as agents of the tax offices (the “Tax Agent”), any beneficiary of exemption will require an official letter from MCA-Moldova for the purposes of filing it with the tax office or the Tax Agent in order to justify the claimed exemption of the relevant Other Tax.

- The official letter from MCA-Moldova is issued on official letterhead, which will confirm that the event that triggers payment of any Other Tax is within the scope of the Compact, and which contains the name of the project and the name of the beneficiary of the exemption.

- The Government will ensure that the Government actions implementing the exemptions covered by the Compact will address the procedures applicable to Other Taxes.
