B. The sales or production, or both, of such firm or subdivision have decreased absolutely; and

C. Increased imports of articles like or directly competitive with articles produced by such firm or subdivision have contributed importantly to such workers' separation or threat of

separation and to the decline in sales or production of such firm or subdivision; or

Under Section 222(a)(2)(B), the following criteria must be satisfied:

A. A significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

The initial investigation revealed that, during the relevant period, a significant number or proportion of workers at Gensym-MA was totally or partially separated from employment, the subject worker group performed information technology sales, consulting, and support services, and Gensym Corporation, a subsidiary of Versata Enterprises, Inc. (Gensym), did not produce an article within the meaning of Section 222(a)(2) of the Trade Act of 1974, as amended (the Trade Act).

The Department issued a Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on February 4, 2009. The Department's Notice of Determination was published in the **Federal Register** on March 3, 2009 (74 FR 9283).
