Marion County Shirt Company, Ark Management Consultants, Marshall, AR; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 10, 2003, applicable to workers of Marion County Shirt Company, Marshall, Arkansas. The notice was published in the **Federal Register** on March 26, 2003 (68 FR 14708).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of men's woven dress shirts.

New information shows that some workers separated from employment at the subject firm had their wages reported under a separate unemployment insurance (UI) tax

account for Ark Management Consultants. Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Marion County Shirt Company, Marshall, Arkansas, who were adversely affected by increased imports.

The amended notice applicable to TA-W-50,499 is hereby issued as follows:

All workers of Marion County Shirt Company, Ark Management Consultants, Marshall, Arkansas, who became totally or partially separated from employment on or after January 6, 2002, through February 10, 2005, are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974.

By application of February 18, 2004, a petitioner requested administrative reconsideration of the Department's negative determination regarding eligibility for workers and former workers of the subject firm to apply for Trade Adjustment Assistance (TAA). The denial notice applicable to workers of Seagate Technology, LLC, Research and Development Division, Oklahoma City, Oklahoma was signed on February 3, 2004, and published in the **Federal Register** on March 12, 2004 (69 FR 11888).

Pursuant to 29 CFR 90.18(c) reconsideration may be granted under the following circumstances:

(1) If it appears on the basis of facts not previously considered that the determination complained of was erroneous;

(2) If it appears that the determination complained of was based on a mistake in the determination of facts not previously considered; or

(3) If in the opinion of the Certifying Officer, a misinterpretation of facts or of the law justified reconsideration of the decision.

The TAA petition was filed on behalf of workers at Seagate Technology, LLC, Research and Development Division, Oklahoma City, Oklahoma engaged in activities related to design and planning work for products further developed or produced elsewhere. The petition was denied because the petitioning workers did not produce an article within the meaning of section 222 of the Act.

The petitioner alleges that the workers at the subject facility performed replication of the equipment that is used to build the head disk assemblies (HDA) stations at a Singapore assembly plant and that this replication function was terminated and transferred to Singapore.
