

scholars, the courts, and members of the general public.

On August 20, 2014 the Office released a public draft of this manual titled, *Compendium of U.S. Copyright Office Practices, Third Edition*. 79 FR 49343. The first major revision in more than two decades, the *Third Edition* is a comprehensive overhaul that makes the practices and standards of the Office more accessible and transparent to the public and sets the stage for a number of long-term improvements in registration and recordation policy.

The Office is now announcing the release of the official version of the *Third Edition*. It is available on the Office's Web site at <http://copyright.gov/comp3/>. The *Third Edition* is effective as of December 22, 2014 and is the governing administrative manual for registrations and recordations issued by the Office on or after that date.

Dated: December 19, 2014.

Robert Kasunic,

Associate Register of Copyrights and Director of the Office of Registration Policy and Practice.

National Nanotechnology Coordination Office

Notice of Public Webinar

ACTION: Notice of public webinar.

SUMMARY: The National Nanotechnology Coordination Office (NNCO), on behalf of the Nanoscale Science, Engineering, and Technology (NSET) Subcommittee of the Committee on Technology, National Science and Technology Council (NSTC), will hold a series of webinars focusing on the experiences, successes, and challenges for small- and medium-sized businesses working in nanotechnology and on issues of interest to the business community. The first webinar in the series will be held Thursday, January 15, 2015.

DATES: The NNCO will hold multiple webinars between the publication of this Notice and December 31, 2015. The first webinar will be held on Thursday, January 15, 2015, from 12:00 p.m. to 1:00 p.m. EST.

ADDRESSES: These free, web-based events are open to the public. For current information about the webinars, please visit www.nano.gov/SMEwebinars2015.

Submitting Questions: Questions of interest to the small- and medium-sized

business community may be submitted to webinar@nnco.nano.gov beginning one week prior to the event through the close of the webinar. During the question-and-answer segment of the webinars, submitted questions will be considered in the order received and may be posted on the NNI Web site (www.nano.gov). A moderator will identify relevant questions and pose them to the panelists. Due to time constraints, not all questions may be addressed during the webinar. The moderator reserves the right to group similar questions and to skip questions, as appropriate.

Registration: Registration for the webinar is required and is on a first-come, first-served basis. Registration will open approximately two weeks prior to each event and will be capped at 200 participants. Individuals planning to attend the webinar can find registration information at www.nano.gov/SMEwebinars2015.

SUPPLEMENTARY INFORMATION:

I. Background

Entergy is the holder of Facility Operating License Nos. DRP-51 and NPF-6, which authorize operation of ANO, Units 1 and 2, in Russellville, Arkansas, pursuant to part 50 of title 10 of the *Code of Federal Regulations* (10 CFR). The licenses provide, among other things, that the facility is subject to all rules, regulations, and orders of the NRC now or hereafter in effect.

Under subpart K of 10 CFR part 72, a general license has been issued for the storage of spent fuel in an independent spent fuel storage installation (ISFSI) at power reactor sites to persons authorized to possess or operate nuclear
