FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[MB Docket No. 21-123; RM-11890; DA 21-1162; FR ID 49528]

Television Broadcasting Services Fort Bragg, California

AGENCY: Federal Communications Commission.

ACTION: Proposed rule.

SUMMARY: The Commission has before it a petition for rulemaking filed by One Ministries, Inc. (Petitioner), requesting the allotment of reserved noncommercial educational channel * 4 at Fort Bragg, California, as the community's second local service in the DTV Table of Allotments and its first local NCE television service.

DATES: Comments must be filed on or before November 1, 2021 and reply comments on or before November 15, 2021.

ADDRESSES: Federal Communications Commission, Office of the Secretary, 45 L Street NE, Washington, DC 20554. In addition to filing comments with the FCC, interested parties should serve the Petitioner as follows: Keith Leitch, One

Ministries, Inc., P.O. Box 1118, Santa Rosa, California 95402.

FOR FURTHER INFORMATION CONTACT:

Joyce Bernstein, Media Bureau, at (202) 418-1647; or Joyce Bernstein, Media Bureau, at Joyce.Bernstein@fcc.gov.

SUPPLEMENTARY INFORMATION: In support of its channel allotment request, the Petitioner states that Fort Bragg is a community deserving of a new television broadcast service. According to the Petitioner, Fort Bragg (pop. 7,179/2010 Census) has a mayor, vice mayor, city manager, and two council members; police, public works, and utility departments; and a library, numerous businesses and places of worship, and its own ZIP Code. In addition, channel 8 (KQSL(TV)) is already allotted to Fort Bragg. The Petitioner states its intention to file an application for channel * 4, if allotted, and take all necessary steps to obtain a construction permit. The Commission concludes the request to amend the Post-Transition Table of DTV Allotments warrants consideration. The Petitioner's proposal would result in a second local service to Fort Bragg consistent with the Commission's television allotment policies. Channel * 4 can be allotted to Fort Bragg, consistent with the minimum geographic spacing requirements for new DTV allotments in section 73.623(d) of the Commission's rules, at 39°41'38.4" N and 123°34'46.7" W. In addition, the allotment point complies with section 73.625(a)(1) of the rules as the entire community of Ft. Bragg is encompassed by the 35 dBu contour.

Endangered and Threatened Wildlife and Plants; Removing the Braken Bat Cave Meshweaver From the List of Endangered and Threatened Wildlife

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Proposed rule.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), propose to remove the Braken Bat Cave meshweaver (*Cicurina venii*), an arachnid, from the Federal List of Endangered and Threatened Wildlife (*i.e.*, "delist" the species) under the Endangered Species Act of 1973, as amended (Act), because of a taxonomic revision. The proposed delisting is based on our evaluation of the best available scientific and commercial information, which indicates that Braken Bat Cave meshweaver is not a discrete taxonomic entity and does not meet the definition of a species as defined by the Act. *Cicurina venii* has been synonymized with *Cicurina madla*, the Madla Cave meshweaver. Therefore, due to a taxonomic revision, *C. venii* is no longer a scientifically accepted species and cannot be listed under the Act. However, because the Braken Bat Cave meshweaver has been synonymized under the Madla Cave meshweaver, its status, and thus its protections under the Act, would remain the same because the Madla Cave meshweaver is listed as endangered under the Act.

DATES: We will accept comments received or postmarked on or before November 29, 2021. Comments submitted electronically using the Federal eRulemaking Portal (see **ADDRESSES**, below) must be received by 11:59 p.m. Eastern Time on the closing date.
