In accordance with 10 CFR 51.26, the scoping process for an EIS may include a public scoping meeting to help identify significant issues related to a proposed activity and to determine the scope of issues to be addressed in an EIS. The NRC staff will hold a public scoping meeting for the EIS regarding the RBS Unit 3 COL application. The scoping meeting will be held at the West Feliciana Parish High School Auditorium, 8604 U.S. Highway 61, St. Francisville, Louisiana, 70775, on Thursday, January 29, 2009. The meeting will convene at 7 p.m. and will continue until approximately 10 p.m. The meeting will be transcribed and will include the following: (1) An overview by the NRC staff of the environmental review process, the proposed scope of the EIS, and the proposed review schedule; and (2) the opportunity for interested government agencies, organizations, and individuals to submit comments or suggestions on the environmental issues or the proposed scope of the EIS. Additionally, the NRC staff will host informal discussions for one hour prior to the start of the public meeting. No formal comments on the proposed scope of the EIS will be accepted during the informal discussions. To be considered, comments must be provided either at the transcribed public meeting or in writing, as discussed below. Persons may register to attend or present oral comments at the meeting on the scope of the NEPA review by contacting Mr. Andrew Kugler or Ms. Jessie M. Muir by telephone at 1-800-368-5642, extension 2828 or 0491, respectively, or via e-mail to the NRC at RBS3.COLAEIS@nrc.gov no later than January 21, 2009.

Members of the public may also register to speak at the meeting prior to of the start of the session. Individual oral comments may be limited by the time available, depending on the number of persons who register. Members of the public who have not registered may also have an opportunity to speak, if time permits. Public comments will be considered in the scoping process for the EIS. If special equipment or accommodations are needed to attend or present information at the public meeting, the need should be brought to Ms. Jessie M. Muir's attention no later than January 14, 2009, so that the NRC staff can determine

whether the request can be accommodated.

Members of the public may send written comments on the scope of the RBS3 COL environmental review to the Chief, Rules and Directives Branch, Division of Administrative Services, Office of Administration, Mailstop TWB-05-B01M, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, and should cite the publication date and page number of this Federal Register notice. To be considered in the scoping process, written comments must be postmarked or delivered by February 23, 2009. Electronic comments may be sent via email to the NRC at RBS3.COLAEIS@nrc.gov. Electronic submissions must be sent no later than March 6, 2009, to be considered in the scoping process. Comments will be made available electronically and will be accessible through the NRC's Electronic Reading Room link http:// www.nrc.gov/reading-rm/adams.html.

Participation in the scoping process for the EIS does not entitle participants to become parties to the proceeding to which the EIS relates. Notice of a hearing and opportunity to request leave to intervene in the proceeding on the application for COL will be published in a future **Federal Register** notice.

At the conclusion of the scoping process, the NRC staff will prepare a concise summary of the determination and conclusions reached on the scope of the environmental review, including the significant issues identified, and will send this summary to each participant in the scoping process for whom the staff has an address. The staff will then prepare and issue for comment the draft EIS, which will be the subject of a separate **Federal Register** notice and a separate public meeting. Copies of the draft EIS will be available for public inspection at the PDR through the above-mentioned address and one copy per request will be provided free of charge. After receipt and consideration of comments on the draft EIS, the NRC will prepare a final EIS, which will also be available to the public.

On January 19, 2006, the United States and Oman entered into the United States-Oman Free Trade Agreement ("Oman FTA"). Chapter Nine of the Oman FTA sets forth certain obligations with respect to government procurement of goods and services, as specified in Annex 9 of the Oman FTA. #### SUPPLEMENTARY INFORMATION:

#### I. Background

On December 23, 2008, the Postal Service filed a notice announcing that it has entered into an additional Global Expedited Package Services 1 (GEPS 1) contract. GEPS 1 provides volumebased incentives for mailers that send large volumes of Express Mail International (EMI) and/or Priority Mail International (PMI). The Postal Service believes the instant contract is functionally equivalent to previously submitted GEPS agreements, and supported by the Governors' Decision filed in Docket No. CP2008-5.2 Notice at 1-2. It further notes that in Order No. 86 which established GEPS 1 as a product, the Commission held that additional contracts may be included as part of the GEPS 1 product if they meet the requirements of 39 U.S.C. 3633 and if they are functionally equivalent to the initial GEPS 1 contract filed in Docket No. CP2008-5.3 Notice at 1.

The instant contract. The Postal Service filed the instant contract pursuant to 39 CFR 3015.5. In addition, the Postal Service contends that the contract is in accordance with Order No. 86. It submitted the contract and supporting material under seal, and attached a redacted copy of the certified statement required by 39 CFR 3015.5(c)(2) to the Notice. *Id.* at 1–2.

The Notice addresses reasons why the instant GEPS 1 contract fits within the Mail Classification Schedule language for GEPS 1, explains expiration terms, and discusses the Postal Service's interest in confidential treatment for the contract and related material. Id. at 2–3. It also provides the Postal Service's rationale for concluding that the instant contract is functionally equivalent to the initial contract filed in Docket No. CP2008–5. The Postal Service requests that this contract be included within the GEPS product. Id. at 3–5.

## II. Notice of Filing

The Commission establishes Docket No. CP2009–19 for consideration of matters related to the contract identified in the Postal Service's Notice.

Interested persons may submit comments on whether the Postal Service's contract is consistent with the policies of 39 U.S.C. 3632, 3622, or 3642. Comments are due no later than January 5, 2009. The public portions of these filings can be accessed via the Commission's Web site (http://www.prc.gov).

The Commission appoints Paul L. Harrington to serve as Public Representative in the captioned filings. It is Ordered:

- 1. The Commission establishes Docket No. CP2009–19 for consideration of the matters raised in this docket.
- 2. Pursuant to 39 U.S.C. 505, Paul L. Harrington is appointed to serve as officer of the Commission (Public Representative) to represent the interests of the general public in these proceedings.
- 3. Comments by interested persons in these proceedings are due no later than January 5, 2009.
- 4. The Secretary shall arrange for the publication of this Order in the **Federal Register**.

By the Commission.
