

initiated an antidumping duty new shipper review. *See New Pneumatic Off-the-Road Tires from the People's Republic of China: Initiation of New Shipper Review*, 74 FR 56575 ("Initiation Notice"). On March 22, 2009, OGF withdrew its request for a new shipper review. On April 12, 2010, we placed on the record and served to parties a memo stating that the Department intended to rescind the above-referenced new shipper review. We allowed parties to comment on the intended rescission by no later than April 19, 2010. *See Memorandum to the File regarding: Withdrawal of Request for NSR from OGF*, dated April 12, 2010. On April 14, 2010, the Department received a letter from Titan Tire Corporation ("Titan") stating that Titan had no objection to the Department's intended rescission of the new shipper review. *See Letter from Titan regarding: Comments on Proposed Rescission of New Shipper Review*, dated April 14, 2010.

Rescission of New Shipper Review

19 CFR 351.214(f)(1) provides that the Department may rescind a new shipper review if the party that requested the review withdraws its request for review within 60 days of the date of publication of the notice of initiation of the requested review. Although OGF withdrew its request after the 60-day deadline, we find it reasonable to extend the deadline because we have not yet committed significant resources to the OGF new shipper review (e.g., we have not issued our preliminary results). Further, in this instance, no other company would be affected by a rescission, and we have received no objections from any party to OGF's withdrawal of its request for this new shipper review. Based upon the above, we are rescinding the new shipper review of the antidumping duty order on OTR tires from the PRC with respect to OGF. *See Hand Trucks and Certain Parts Thereof from the People's Republic of China: Notice of Rescission of Antidumping Duty New Shipper Review*, 74 FR 31911 (July 6, 2009) (rescinding new shipper review after 60-day deadline on same grounds). As the Department is rescinding this new shipper review, we are not calculating a company-specific rate for OGF, and OGF will remain part of the PRC entity.

Notifications

Because OGF remains part of the PRC entity, its entries may be under review in the ongoing administrative review. Accordingly, the Department will not order liquidation of entries for OGF. The Department intends to issue liquidation

instructions for the PRC entity, which will cover any entries by OGF, 15 days after publication of the final results of the ongoing administrative review.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destructions of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with section 777(i) of the Act and 19 CFR 351.214(f)(3).

Dated: April 26, 2010.

Edward C. Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Subsidy Programs Provided by Countries Exporting Softwood Lumber and Softwood Lumber Products to the United States; Request for Comment

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: Comments must be submitted within thirty days after publication of this notice.

ADDRESSES: Written comments (original and six copies) should be sent to the

James Terpstra, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3965.

SUPPLEMENTARY INFORMATION:

Background

On June 18, 2008, Section 805 of Title VIII of the Tariff Act of 1930 (the Softwood Lumber Act of 2008) was enacted into law. Under this provision, the Secretary of Commerce is mandated to submit to the appropriate Congressional committees a report every 180 days on any subsidies provided by countries exporting softwood lumber or softwood lumber products to the United States, including stumpage subsidies.

The Department submitted its last subsidy report on December 15, 2009. As part of its newest report, the Department intends to include a list of subsidy programs identified with sufficient clarity by the public in response to this notice.

Request for Comment

Given the large number of countries that export softwood lumber and softwood lumber products to the United States, we are soliciting public comment only on subsidies provided by countries whose exports accounted for at least one percent of total U.S. imports of softwood lumber by quantity, as classified under Harmonized Tariff Schedule code 4407.1001 (which accounts for the vast majority of imports), during the period July 1 through December 31, 2009. Official U.S. import data published by the United States International Trade Commission Tariff and Trade DataWeb indicate that exports of softwood lumber from Canada and Chile each account for at least one percent of U.S. imports of softwood lumber products during that time period. We intend to rely on similar previous six-month periods to identify the countries subject to future reports on softwood lumber subsidies. For example, we will rely on U.S. imports of softwood lumber and softwood lumber products during the period January 1 through June 30, 2010, to select the countries subject to the next report.

Under U.S. trade law, a subsidy exists where a government authority: (i) provides a financial contribution; (ii) provides any form of income or price

support within the meaning of Article XVI of the GATT 1994; or (iii) makes a payment to a funding mechanism to provide a financial contribution to a person, or entrusts or directs a private entity to make a financial contribution, if providing the contribution would normally be vested in the government and the practice does not differ in substance from practices normally followed by governments, and a benefit is thereby conferred. *See* section 771(5)(B) of the Tariff Act of 1930, as amended.

Parties should include in their comments: (1) the country which provided the subsidy; (2) the name of the subsidy program; (3) a brief (3–4 sentence) description of the subsidy program; and (4) the government body or authority that provided the subsidy.

Submission of Comment

Persons wishing to comment should file a signed original and six copies of each set of comments by the date specified above. The Department will not accept comments accompanied by a request that a part or all of the material be treated confidentially due to business proprietary concerns or for any other reason. The Department will return such comments and materials to the persons submitting the comments and will not include them in its report on softwood lumber subsidies. The Department also requests submission of comments in electronic form to accompany the required paper copies. Comments filed in electronic form should be submitted on CD-ROM with the paper copies or by e-mail to the Webmaster below.

Comments received in electronic form will be made available to the public in Portable Document Format (PDF) on the Import Administration Web site at the following address: <http://ia.ita.doc.gov>. Any questions concerning file formatting, document conversion, access on the Internet, or other electronic filing issues should be addressed to Andrew Lee Beller, Import Administration Webmaster, at (202) 482–0866, e-mail address: webmaster-support@ita.doc.gov.

All comments and submissions should be mailed to James Terpstra, Import Administration; Subject: Softwood Lumber Subsidies Bi–Annual Report: Request for Comment; Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC, 20230, by no later than 5 p.m., on the above-referenced deadline date.
