#### **Certain Corrosion Inhibitors From the People's Republic of China: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable June 16, 2020.

**FOR FURTHER INFORMATION CONTACT:** Lochard Philozin, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4260.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On February 25, 2020, the Department of Commerce (Commerce) initiated a less-than-fair-value (LTFV) investigation of imports of certain corrosion inhibitors (corrosion inhibitors) from the People's Republic of China.<sup>1</sup> Currently, the preliminary determination is due no later than July 14, 2020.

##### **Postponement of Preliminary Determination**

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner<sup>2</sup> makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is

extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On June 3, 2020, the petitioner submitted a timely request that Commerce postpone the preliminary determination in the LTFV investigation.<sup>3</sup> The petitioner stated that it requests postponement of the preliminary determination because “{a}dditional time will be necessary to ensure that Commerce is able to sufficiently review all questionnaire responses and request clarification and additional information as necessary.”<sup>4</sup>

For the reason stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days (*i.e.*, to 190 days after the date on which this investigation was initiated). As a result, Commerce will issue its preliminary determination no later than September 2, 2020. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

#### Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Reef Fish Fishery of Puerto Rico and the U.S. Virgin Islands; Exempted Fishing Permit

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of receipt of an application for an exempted fishing permit; request for comments.

**SUMMARY:** NMFS announces the receipt of an application for an exempted fishing permit (EFP) from the NMFS Panama City, FL laboratory. If granted, the EFP would authorize NMFS or NMFS contracted commercial fishers aboard a commercial fishing vessel to collect certain deep-water snapper species in waters of the U.S. exclusive economic zone (EEZ) off Puerto Rico. The EFP would exempt this activity from complying with certain seasonal and area closures and from certain bag limits in the U.S. Caribbean EEZ. The purpose of the EFP is to gather information that could be used to define essential fish habitat (EFH) of deep-water snappers off the coast of Puerto Rico and to determine life history information for queen, silk, black, and blackfin snappers.

**DATES:** Comments must be received no later than July 16, 2020.
