

The Consolidated Appropriations Act of 2021 directs the FCC to leverage the National Verifier to verify applicants' eligibility for ACP. The purpose of this matching program is to verify the eligibility of Lifeline and ACP applicants and subscribers by determining whether they receive SNAP, SSI, Medicaid, and Income Verification benefits administered by the Wisconsin Department of Health Services and the Wisconsin Department of Revenue.

Participating Agencies

Wisconsin Department of Health Services; Wisconsin Department of Revenue; Federal Communications Commission

Authority for Conducting the Matching Program

The authority for the FCC's ACP is Infrastructure Investment and Jobs Act, Public Law 117–58, 135 Stat. 429, 1238–44 (2021) (codified at 47 U.S.C. 1751–52); 47 CFR part 54. The authority for the FCC's Lifeline program is 47 U.S.C. 254; 47 CFR 54.400 through 54.423; Lifeline and Link Up Reform and Modernization, *et al.*, Third Report and Order, Further Report and Order, and Order on Reconsideration, 31 FCC Rcd 3962, 4006–21, paras. 126–66 (2016) (2016 Lifeline Modernization Order).

Purpose(s)

The purpose of this modified matching agreement is to verify the eligibility of applicants and subscribers to Lifeline, as well as to ACP and other Federal programs that use qualification for Lifeline as an eligibility criterion. This new agreement will permit eligibility verification for the Lifeline program and ACP by checking an applicant's/subscriber's participation in SNAP, SSI, Medicaid, and Income Verification in Wisconsin. Under FCC rules, consumers receiving these benefits qualify for Lifeline discounts and also for ACP benefits.

Categories of Individuals

The categories of individuals whose information is involved in the matching program include, but are not limited to, those individuals who have applied for Lifeline and/or ACP benefits; are currently receiving Lifeline and/or ACP benefits; are individuals who enable another individual in their household to qualify for Lifeline and/or ACP benefits; are minors whose status qualifies a parent or guardian for Lifeline and/or ACP benefits; or are individuals who have received Lifeline and/or ACP benefits.

Categories of Records

The categories of records involved in the matching program include, but are not limited to, the last four digits of the applicant's Social Security Number, and first and last name. The National Verifier will transfer these data elements to the Wisconsin Department of Health Services, Wisconsin Department of Revenue, which will respond either "yes" or "no" that the individual is enrolled in a qualifying assistance program: SNAP, SSI, Medicaid, and Income Verification administered by the Wisconsin Department of Health Services and the Wisconsin Department of Revenue.

System(s) of Records

The records shared as part of this matching program reside in the Lifeline system of records, FCC/WCB–1, Lifeline, which was published in the **Federal Register** at 86 FR 11526 (Feb. 25, 2021).

FEDERAL RESERVE SYSTEM

Privacy Act of 1974; System of Records

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice of a modified system of records.

SUMMARY: Pursuant to the provisions of the Privacy Act of 1974, notice is given that the Board of Governors of the Federal Reserve System (Board) proposes to modify an existing system of records, entitled BGFRS–24, "FRB—EEO General Files." BGFRS–24 presently includes self-identification reports of current and former employees regarding race, national origin, sex, and disability and identification by Board staff regarding the race, national origin, and sex for those current and former employees who decline to voluntarily provide the information.

DATES: Comments must be received on or before October 16, 2023. This new system of records will become effective October 16, 2023, without further notice, unless comments dictate otherwise.

The Office of Management and Budget (OMB), which has oversight responsibility under the Privacy Act, requires a 30-day period prior to publication in the **Federal Register** in which to review the system and to provide any comments to the agency. The public is then given a 30-day period in which to comment, in accordance with 5 U.S.C. 552a(e)(4) and (11).

ADDRESSES: You may submit comments, identified by BGFRS–24 "FRB—EEO General Files," by any of the following methods:

- *Agency Website:* <https://www.federalreserve.gov>. Follow the instructions for submitting comments at <https://www.federalreserve.gov/apps/foia/proposedregs.aspx>.

- *Email:* regs.comments@federalreserve.gov. Include SORN name and number in the subject line of the message.

- *Fax:* (202) 452–3819 or (202) 452–3102.

- *Mail:* Ann E. Misback, Secretary, Board of Governors of the Federal Reserve System, 20th Street and

Constitution Avenue NW, Washington, DC 20551.

In general, all public comments will be made available on the Board's website at <https://www.federalreserve.gov/generalinfo/foia/ProposedRegs.cfm> as submitted, and will not be modified to remove confidential, contact or any identifiable information. Public comments may also be viewed electronically or in paper in Room M-4365A, 2001 C St. NW, Washington, DC 20551, between 9:00 a.m. and 5:00 p.m. during federal business weekdays.

FOR FURTHER INFORMATION CONTACT:

David B. Husband, Senior Counsel, (202) 530-6270, or david.b.husband@frb.gov; Legal Division, Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue NW, Washington, DC 20551. For users of telephone systems via text telephone (TTY) or any TTY-based Telecommunications Relay Services, please call 711 from any telephone anywhere in the United States.

SUPPLEMENTARY INFORMATION: The Board is in the process of replacing its current enterprise resource planning (ERP) system which will result in changes to the information collected and retained for Board employees. Accordingly, the Board is making minor modifications to the EEO General Files system to reflect such changes. Principally, to better reflect the many dimensions within its workforce, beyond the customary demographics of race/ethnicity, disability, and gender, the Board is broadening its demographic data collection to encompass voluntary disclosure of gender identity and preferred personal pronouns. These new fields will help Board employees personalize their self-identification. The Board is therefore amending the category of records to reflect the inclusion of this information. The Board is removing from the category of records the reference to EEO-related training records which are no longer retained as part of the system of records and the reference to identification by Board staff of disability status for employees who decline to voluntarily provide such information, as disability status would not be inferred via visual observation. The Board will also collect information from applicants, such as self-identification reports, and therefore the Board is amending the category of individuals to include applicants and the category of records to refer to applicants in addition to current and former employees.

The Board is also taking the opportunity to update the system

manager, the system location, the authority for the system, the record source categories, and the practices for retention and disposal of records. The Board is also taking the opportunity to update the "Routine Uses" section to incorporate a link to the Board's general routine uses and is amending the system-specific routine use to refer to "workforce" instead of the more archaic term "manpower." The Board otherwise is not amending or establishing any new routine uses.

The Board is also making technical changes to BGFRS-24 consistent with the template laid out in OMB Circular No. A-108. Accordingly, the Board has made technical corrections and non-substantive language revisions to the following categories: "Policies and Practices for Storage of Records," "Policies and Practices for Retrieval of Records," "Policies and Practices for Retention and Disposal of Records," "Administrative, Technical and Physical Safeguards," "Record Access Procedures," "Contesting Record Procedures," and "Notification Procedures."
