

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–102824; File No. SR–NASDAQ–2025–033]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Rules To Allow the Exchange To List Options on the iShares Ethereum Trust, the Fidelity Ethereum Fund, the Bitwise Ethereum ETF, the Grayscale Ethereum Trust, and the Grayscale Ethereum Mini Trust

April 11, 2025.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that April 9, 2025, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b–4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend The Nasdaq Options Market LLC (“NOM”) Options 9, Section 13, Position Limits, and Section 15, Exercise Limits, for options on the iShares Ethereum Trust, the Fidelity Ethereum Fund, the Bitwise Ethereum ETF, the Grayscale Ethereum Trust, and the Grayscale Ethereum Mini Trust.

The text of the proposed rule change is available on the Exchange’s website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rulefilings>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed

any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Options 9, Section 13, Position Limits, and Options 9, Section 15, Exercise Limits, for options on the iShares Ethereum Trust, the Fidelity Ethereum Fund, the Bitwise Ethereum ETF, the Grayscale Ethereum Trust, and the Grayscale Ethereum Mini Trust, (collectively “Ether Trusts”).

Recently, Nasdaq ISE, LLC (“ISE”) received approval to list options on iShares Ethereum Trust, Cboe Exchange, Inc. (“Cboe”) received approval to list options on the Fidelity Ethereum Fund, and NYSE American LLC (“NYSE American”) received approval to list options on the Bitwise Ethereum ETF, the Grayscale Ethereum Trust, and the Grayscale Ethereum Mini Trust (collectively, “Ether Trusts”).⁵ ISE filed a rule change to list and trade options on the Fidelity Ethereum Fund, the Bitwise Ethereum ETF, the Grayscale Ethereum Trust, and the Grayscale Ethereum Mini Trust.⁶

NOM’s Options 4 Rules were amended by the ISE rule changes to list options on the Ether Trusts, as those Rules are incorporated by reference to ISE’s Options 4 Rules, so NOM has the ability to list the options on the Ether Trusts. The Ether Approval Orders stated that the position and exercise limits for each of the Ether Trusts shall be 25,000 contracts. At this time, the Exchange proposes to amend NOM Options 9, Section 13, Position Limits, and Options 9, Section 15, Exercise Limits, to note that options on each Ether Trust shall have position and exercise limits of 25,000 contracts to mirror the Ether Approval Orders.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁷ in general, and furthers the

objectives of Section 6(b)(5) of the Act,⁸ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest.

The Exchange’s proposal to amend Options 9, Section 13, Position Limits, and Options 9, Section 15, Exercise Limits, to provide that the position and exercise limits for options on each of the Ether Trusts shall be 25,000 contracts is consistent with the Act as it will conform NOM’s options position and exercise limits for each of the Ether Trusts with ISE’s options position and exercise limits on these same Ether Trusts to align those limits.⁹

B. Self-Regulatory Organization’s Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Amending Options 9, Sections 13 and 15 to provide that the position and exercise limits for options on each of the Ether Trusts shall be 25,000 contracts does not impose an undue burden on competition as the position and exercise limits will apply to all trading for options on the Ether Trusts trading on the Exchange as well as those trading on other exchanges that file a similar proposal.¹⁰

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act¹¹ and Rule 19b–4(f)(6) thereunder.¹² Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative

⁸ 15 U.S.C. 78f(b)(5).

⁹ The Exchange believes that other exchanges will adopt position and exercise limits of 25,000 contracts for options on each of the Ether Trusts. All Nasdaq affiliated markets have filed to adopt a 25,000 contract position and exercise limit for the Ether Trusts.

¹⁰ All Nasdaq affiliated markets are filing to adopt a 25,000 contract position and exercise limit for options on the Ether Trusts.

for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹³ and Rule 19b-4(f)(6)¹⁴ thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁵ under the Act does not normally become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁶ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission previously approved the listing of options on iShares Ethereum Trust, the Fidelity Ethereum Fund, the Bitwise Ethereum ETF, the Grayscale Ethereum Trust, and the Grayscale Ethereum Mini Trust.¹⁷ As noted above, NOM's Options 4 Rules were amended by an ISE rule change¹⁸ as those Rules are incorporated by reference to ISE's Options 4 Rules, so NOM has the ability to list the options on the Ether Trusts. This proposal establishes position and exercise limits for options on the Ether Trusts. The Commission believes that waiver of the operative delay could benefit investors by assuring that trading in Ether Trust options are subject to the same position and exercise limits in place on other exchanges. Therefore, the Commission

believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposed rule change as operative upon filing.¹⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
