

based on this information and each application is scored and ranked.

In addition, the following factors may affect the funding decision:

- Availability of funds
- Relevance to program priorities.

Applications will be funded in order by score and rank determined by the review panel. CDC/ATSDR will provide justification for any decision to fund out of rank order.

### V.3. Anticipated Announcement and Award Dates

The anticipated announcement date is November 1, 2004 and the award dates will be 30–60 days before the conferences begin.

## VI. Award Administration Information

### VI.1. Award Notices

Successful applicants will receive a Notice of Grant Award (NGA) from the CDC Procurement and Grants Office. The NGA shall be the only binding, authorizing document between the recipient and CDC. The NGA will be signed by an authorized Grants Management Officer, and mailed to the recipient fiscal officer identified in the application.

Unsuccessful applicants will receive notification of the results of the application review by mail.
