(4) The United States, a Federal agency, or another party in litigation before a court, adjudicative, or administrative body, upon the MSPB General Counsel's approval, pursuant to 5 CFR part 295 or otherwise.

b. To the appropriate Federal, State, or local agency responsible for investigating, prosecuting, enforcing, or implementing a statute, rule, regulation, or order, when a record, either on its face or in conjunction with other information, indicates or is relevant to a violation or potential violation of civil or criminal law or regulation.

c. To a member of Congress from the record of an individual in response to an inquiry made at the request of the individual to whom the record pertains.

d. To the National Archives and Records Administration (NARA) in records management inspections conducted under the authority of 44 U.S.C. 2904 and 2906.

e. To appropriate agencies and persons when (1) MSPB suspects or has confirmed that there has been a breach of the system of records; (2) MSPB has determined that as a result of the suspected or confirmed breach there is a risk of harm to individuals, MSPB (including its information systems, programs, and operations), the Federal Government, or national security; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with MSPB's efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm.

f. To another Federal agency or Federal entity, when MSPB determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (1) responding to a suspected or confirmed breach or (2) preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.

g. To contractors, grantees, experts, consultants, or volunteers performing or

h. To Federal agencies whose employees participate in MSPB special studies surveys, and their subcomponents, where MSPB determines that assistance may be required in any aspect of administering and reporting on the special studies survey.

POLICIES AND PRACTICES FOR STORAGE OF RECORDS:

The records in this system of records are stored electronically on (1) MSPB system(s) and/or (2) temporarily on an MSPB vendor's system(s) to facilitate the administration of the survey(s). Access in both locations is limited to a small number of authorized personnel at MSPB and at MSPB's vendor.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

Records may be retrieved by survey case identifier or other personal identifier but are generally only retrieved in this manner leading up to and during the administration of special studies surveys. After the survey is administered, personal identifiers are rarely used to retrieve records or for any other purpose. Instead, post-administration of the survey, records are typically retrieved by a respondent characteristic (such as agency or demographic group) or response pattern (such as response to a particular survey item or set of items) in a manner that is not intended to identify individual survey respondents. Additionally, post-administration of the survey, records may be retrieved by personal identifier for another research purpose as permitted by law, regulation, or agreement.

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

MSPB is currently working to develop a records schedule for the survey responses to submit to NARA for approval. Until a records schedule is in place, the records will be retained as permanent records.

Data provided to MSPB from OPM's EHRI data warehouse under an OPM-MSPB Memorandum of Understanding is retained until no longer needed or when OPM instructs MSPB to destroy data.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

Records in the system are protected from unauthorized access and misuse through various administrative, technical, and physical security measures, such as access controls, mandatory security and privacy training, encryption, multi-factor authentication, security guards, and locked offices.

RECORD ACCESS PROCEDURES:

Individuals seeking notification of and access to their records in this system of records may submit a request in writing to the Office of the Clerk of the Board, Merit Systems Protection Board, 1615 M Street NW, Washington, DC 20419. Individuals requesting access must comply with MSPB's Privacy Act regulations regarding verification of identity and access to records (5 CFR part 1205).

CONTESTING RECORD PROCEDURES:

Individuals may request that records about them be amended by writing to the Office of the Clerk of the Board, Merit Systems Protection Board, 1615 M Street, NW, Washington, DC 20419. Overview of This Information Collection

Type of Review: Revision of an existing information collection.

Title of Information Collection: Generic Clearance Authority for the National Endowment for the Humanities.

Abstract: The National Endowment for the Humanities is seeking to renew its generic clearance authority. The generic clearance authority includes all NEH information collections, except one-time evaluations, questionnaires, and surveys.

The proposed revision adjusts the overall burden estimate from 88,815 to 296,433 hours. This estimate reflects the anticipated change in the number of respondents from 7,815 to 6,767 and the updated estimated time per response that more accurately reflects the hours required to complete a grant application. The burden estimate for associated forms and reporting requirements has not changed.

OMB Number: 3136-0134.

Affected Public: Applicants to NEH grant programs, reviewers of NEH grant applications, and NEH award recipients.

Frequency of Collection: On occasion.

Total Respondents: 6,767.

Total Responses: 6,767.

Estimated Time per Response: Varies according to type of information collection.

Estimated Total Burden Hours: 296,433.

Request for Comments

NEH will make comments submitted in response to this notice, including names and addresses where provided, a matter of public record. NEH will

summarize the contents and include them in the request for OMB approval. We are requesting comments on all aspects of this clearance request, including (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
