Merchandise Subject to the Covered Merchandise Inquiry

The covered merchandise inquiry will address whether the scope covers certain merchandise imported by AXN from China.⁸ Pursuant to 19 CFR 351.227(m)(1), Commerce will consider, based on the available record evidence, whether the final determination in the covered merchandise inquiry should be applied on a (i) producer-specific, exporter-specific, importer-specific basis, or some combination thereof; or (ii) on a country-wide basis, regardless of the producer, exporter, or importer, to all products from the same country with the same relevant physical characteristics as the product at issue.

Filing Requirements

All submissions to Commerce must be filed electronically via Enforcement and Compliance (E&C)'s Antidumping Duty and Countervailing Duty Centralized Electronic Service System (ACCESS), unless an exception applies.⁹ An electronically filed document must be received successfully in its entirety by the applicable deadline. Each submission must be placed on the record of the segment of the proceeding for the *AD Order* (A–570–135), ACCESS Covered Merchandise Inquiry segment “EAPA 7839”.

⁸ Specifically, CBP requests that Commerce address whether the following are covered by the scope of the *Orders*: (1) the axle beams imported by AXN that can be used on chassis, whether (a) incorporated into an axle assembly by AXN by adding Chinese-origin parts; (b) incorporated into an axle assembly by AXN by adding domestically (i.e., U.S.) sourced parts; (c) incorporated into an axle assembly by AXN by adding a mix of Chinese-origin and domestically sourced parts; and/or (d) not incorporated into an axle assembly by AXN (i.e., as imported); (2) The slider boxes that can be used on chassis, as imported by AXN; (3) Landing gear sets, as imported by AXN; and (4) Any merchandise imported by AXN that can be used on chassis, including, but not limited to, axle beams, slider boxes, and landing gear leg components/landing gear sets, that, even if considered individual components, were imported by AXN “with or for further assembly with a finished or unfinished chassis” by virtue of their intended sale by AXN to manufacturers for use in the production of completed trailers.

Should Commerce issue preliminary or final covered merchandise determinations, Commerce will follow the suspension of liquidation rules under 19 CFR 351.227(l)(2) through (4). In accordance with 19 CFR 351.227(l)(5), nothing in this section affects CBP's authority to take any additional action with respect to the suspension of liquidation or related measures.
