Overview of This Information Collection

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *The Title of the Form/Collection:* FFL Out of Business Records Request.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number: ATF Form 5300.3A.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.
Other: None.

Abstract: The FFL Out of Business Records Request—ATF Form 5300.3A is used to notify Federal firearms licensees (FFLs) who go out of business to submit their firearms records to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) if the business discontinuance is absolute. FFLs can also use the form to notify ATF of a successor business that will maintain control of the firearms records.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to*

respond: A combined 4,297 respondents will use the form and then package and ship/deliver business records to ATF following business discontinuance. It will take a combined total of 5 minutes for respondents to prepare the form and an additional 11 hours to package and then ship/deliver business records to ATF.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The combined estimated annual public burden associated with this collection is 47,523 hours, which is equal to 3,066 (# of respondents who completed the form) * 0.0833333 (5 minutes or the total time to complete each form) + 4,297 (# of respondents who ship/deliver records) * 11 hours (time taken to package ship/deliver records to ATF).

(7) *An Explanation of the Change in Estimates:* Since the last renewal in 2018, the total responses and mailing costs decreased from 4,607 to 4,297 and from \$2,243,013 to \$2,098,869 respectively, due to fewer FFLs going out of business. However, the total burden increased to 47,523 hours because it took each FFL more time to prepare an average 7 boxes of business records in 2020, compared to an estimated 4 boxes of records in 2018.
