

17D-1 (17 CFR 274.200) ("form") as the form for reports required by rule 17d-1.

SBICs and their affiliated banks use form N-17D-1 to report any contemporaneous investments in a small business concern. The form provides shareholders and persons seeking to make an informed decision about investing in an SBIC an opportunity to learn about transactions of the SBIC that have the potential for self dealing and other forms of overreaching by affiliated persons at the expense of shareholders.

Form N-17D-1 requires SBICs and their affiliated banks to report identifying information about the small business concern and the affiliated bank. The report must include, among other things, the SBIC's and affiliated bank's outstanding investments in the small business concern, the use of the proceeds of the investments made during the reporting period, any changes in the nature and amount of the affiliated bank's investment, the name of any affiliated person of the SBIC or the affiliated bank (or any affiliated person of the affiliated person of the SBIC or the affiliated bank) who has any interest in the transactions, the basis of the affiliation, the nature of the interest, and the consideration the affiliated person has received or will receive.

Up to five SBICs may file the form in any year.¹ The Commission estimates the burden of filling out the form is approximately one hour per response and would likely be completed by an accountant or other professional. Based on past filings, the Commission estimates that no more than one SBIC is likely to use the form each year. Most of the information requested on the form should be readily available to the SBIC or the affiliated bank in records kept in the ordinary course of business, or with respect to the SBIC, pursuant to the recordkeeping requirements under the Act. Commission staff estimates that it should take approximately one hour for an accountant or other professional to complete the form.² The estimated total annual burden of filling out the form is 1 hour, at an estimated total annual cost of \$185.³ The Commission will not keep

responses on Form N-17D-1 confidential.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
