National Marine Fisheries Service (NMFS) requires, as codified under 50 CFR Part 665, any person (1) fishing for, taking, retaining, or using a vessel to fish for Western Pacific coral reef ecosystem management unit species in the designated low-use Marine Protected Areas, (2) fishing for any of these species using gear not specifically allowed in the regulations, or (3) fishing for, taking, or retaining any Potentially Harvested Coral Reef Taxa (PHCRT) in the coral reef ecosystem regulatory area, to obtain and carry a permit. A receiving vessel must also have a transshipment permit for at-sea transshipment of coral reef ecosystem management unit species (CREMUS). The permit application form provides basic information about the permit applicant, vessel, fishing gear and method, target species, projected fishing effort, *etc.*, for use by NMFS and the Western Pacific Fishery Management Council in determining eligibility for permit issuance. The information is important for understanding the nature of the fishery and provides a link to participants. It also aids in the enforcement of Fishery Ecosystem Plan measures.

Revision: NMFS is adding a transshipment permit application, where previously a separate form was not required.

*Affected Public:* Business or other for-profit organizations.

*Frequency:* Annually and on occasion.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The Census Bureau plans to request clearance for updating the universe of collection of data concerning the school enrollment within the Current Population Survey (CPS) beginning in January 2013. Title 13, United States Code, Section 182, and Title 29, United States Code, Sections 1-9, authorize the collection of the CPS information. The Census Bureau and the Bureau of Labor Statistics (BLS) sponsor the current basic annual school enrollment questions, which have been collected annually in the CPS for 50 years.

The main school enrollment question and the two follow up questions have long been asked of people ages 16 to 24 and restricted for other ages. We would like to increase the age range for those asked these questions to 54 based on current trends in school enrollment for people over 24. This change in universe will result in the main question being asked about approximately 53,600 more people and answers for approximately 3,000 more people will need to be provided for the two follow up questions.

Raising the age of respondents to which the monthly enrollment question is provided will substantially increase the data resources with which analysts and researchers identify the effects of federal education and training policies on key, policy-relevant populations.

##### II. Method of Collection

The school enrollment information will be collected by both personal visit and telephone interviews. All interviews are conducted using computer-assisted interviewing.

##### III. Data

*Legal Authority:* Title 13 U.S.C. Section 182, and Title 29, U.S.C., Sections 1-9.

#### IV. Request for Comments

##### In the Matter of: Universal Industries Limited, Inc., 3050 SW 14th Place Unit 3, Boynton Beach, FL 33426; Order Denying Export Privileges

On August 19, 2011, in the U.S. District Court, Southern District of Florida, Universal Industries Limited, Inc. ("Universal") was convicted of violating Section 38 of the Arms Export Control Act (22 U.S.C. 2778 (2000)) ("AECA"). Specifically, Universal was convicted of knowingly and willfully attempting to export from the United States to Singapore military aircraft parts, that is approximately 200 J-85 Stage 1 engines blades, part number 6009T97PO5, which items were designated as defense articles on the United States Munitions List, without having first obtained from the Department of State a license for such export or written authorization for such export. Universal was sentenced to one year probation, a \$1,000 fine and a special assessment of \$400. Universal is also listed on the U.S. Department of State Debarred List.

Section 766.25 of the Export Administration Regulations ("EAR" or

"Regulations")<sup>1</sup> provides, in pertinent part, that "[t]he Director of the Office of Exporter Services, in consultation with the Director of the Office of Export Enforcement, may deny the export privileges of any person who has been convicted of a violation of the [Export Administration Act ("EAA")], the EAR, or any order, license or authorization issued thereunder; any regulation, license, or order issued under the International Emergency Economic Powers Act (50 U.S.C. 1701-1706); 18 U.S.C. 793, 794 or 798; section 4(b) of the Internal Security Act of 1950 (50 U.S.C. 783(b)), or section 38 of the Arms Export Control Act (22 U.S.C. 2778)." 15 CFR 766.25(a); see also Section 11(h) of the EAA, 50 U.S.C. app. § 2410(h). The denial of export privileges under this provision may be for a period of up to 10 years from the date of the conviction. 15 CFR 766.25(d); see also 50 U.S.C. app. § 2410(h). In addition, Section 750.8 of the Regulations states that the Bureau of Industry and Security's Office of Exporter Services may revoke any Bureau of Industry and Security ("BIS") licenses previously issued in which the person had an interest in at the time of her conviction.

I have received notice of Universal's conviction for violating the AECA, and have provided notice and an opportunity for Universal to make a written submission to BIS, as provided in Section 766.25 of the Regulations. I have received and reviewed the submission from Universal and based upon my review and consultations with BIS's Office of Export Enforcement, including its Director, and the facts available to BIS, I have decided to deny Universal's export privileges under the Regulations for a period of three years from the date of Universal's conviction. I have also decided to revoke all licenses issued pursuant to the Act or Regulations in which Universal had an interest at the time of its conviction.

*Accordingly, it is hereby ordered*
