II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposal and discussed any comments it received on the proposed rule change, as amended. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to amend its By-Laws pertaining to the ongoing qualification of the members of its Board. Under the proposal, Article V, Section 3 of the NSX By-Laws would be amended to provide that if a Director fails to maintain the necessary qualifications of his respective category,⁶ the Director will cease to be

⁶ The Board is currently composed of thirteen voting Directors. Those Directors are categorized as follows: "(a) the Exchange President; (b) two Proprietary Members with certificates, or executive officers of Proprietary Member organizations with certificates, who are Designated Dealers in the National Securities Trading System ('Designated Dealer Directors'); (c) one Proprietary Member with certificate or an executive officer of a Proprietary Member organization with certificate, who conducts a nonmember public customer business on the Exchange ('At-Large Director'); (d) the Chairman of [the Chicago Board Options Exchange] ('CBOE Director'); (e) the President of CBOE ('CBOE Director'); (f) four CBOE members or executive officers of CBOE member organizations ('CBOE Directors'); and (g) three representatives of issuers and investors who shall not be associated with any member of the Exchange or with any registered

a Director upon determination by the Board that the Director is no longer qualified and his office shall become vacant. The proposal will also provide the later of 45 days or until the next regular Board meeting for a Director who is no longer qualified for a designated category to requalify. During any period in which a Director is not qualified for a designated category, the Director shall be deemed not to hold office and the position formerly held by the Director shall be deemed vacant for all purposes. Under the proposal, the Board will be the sole judge of whether a Director is no longer qualified for his designated category and whether a Director has requalified. Effective upon the expiration of the grace period for requalification, the Board may also fill any resulting vacancy with a person who qualifies for the category in which the vacancy exists. Finally, the proposal would provide that a Director (other than an Independent Director) whose membership has been suspended does not lose his qualification by reason of such suspension during the period of suspension. Rather, such Director may remain a Director during the suspension unless he is removed.⁷

2. Statutory Basis

The Exchange believes the proposed rule change, as amended, enhances the fair and efficient governance of the Exchange. Therefore, NSX believes the proposed rule change, as amended, furthers the objectives of Section 6(b) of the Act,⁸ in general, and Section 6(b)(3),⁹ in particular, in that it assures a fair representation of its members in the selection of its directors and administration of its affairs. The proposed rule change also furthers the objectives of Section 6(b)(1),¹⁰ in that it helps to assure that the Exchange is so organized and has the capacity to be

broker or dealer or with another self-regulatory organization, other than as a public trustee or director ('Public Directors'). Excepting affiliations with national securities exchanges, no two or more Directors may be partners, officers or directors of the same person or be affiliated with the same person." See Article V, Section 1.1 of the NSX By-Laws. The Exchange is proposing to make various changes to the composition of the Board in a separate rule proposal, which is currently pending before the Commission. See Securities Exchange Act Release No. 51765 (May 31, 2005), 70 FR 33238 (June 7, 2005) (SR-NSX-2005-02). Through that proposal, the composition of the Board is proposed to be revised to consist of the NSX Chief Executive Officer; three Member Directors; six Independent Directors; and three CBOE Directors.

⁷ A Director may be removed with cause by a majority vote of those individuals or entities entitled to vote to elect such Director. See Article V, Section 4 of the NSX By-Laws.

able to carry out the purposes of the Act and to comply, and to enforce compliance by its members, with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received in connection with the proposed rule change, as amended.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:
