

**DATES:** Interested persons are invited to submit comments on or before June 6, 2005.

**SUPPLEMENTARY INFORMATION:** Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Case Services Team, Regulatory Information Management Services, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

[Docket No. CP05-91-000]

#### Calhoun LNG, L.P.; Notice Of Application

March 28, 2005.

Take notice that on March 18, 2005, Calhoun LNG, L.P. (Calhoun LNG),

Three Riverway, Suite 525, Houston, Texas, 77056, filed an application in Docket

No. CP05-91-000 pursuant to section 3(a) of the Natural Gas Act (NGA), and Part 153 of the Commission's regulations, requesting authorization to site, construct, and operate a liquefied natural gas (LNG) import terminal and associated facilities to be located in the Port of Port Lavaca-Point Comfort in Calhoun County, Texas as a place of entry for the importation of LNG. An affiliated company, Port Comfort Pipeline Company, L.P. (PCPLC) proposes to construct 12 miles of 30-inch-diameter non-jurisdictional send-out pipeline and related facilities that would connect the downstream end of the jurisdictional LNG terminal to intrastate pipelines and industrial end-users.

The LNG import terminal would be comprised of a LNG receiving facility (including docking facilities and associated piping and appurtenances) designed to receive 75,000 m3 to 220,000 m3 ships and a LNG storage and vaporization facility (including two single containment LNG 160,000 m3 storage tanks, vaporization units and associated piping and control equipment) as well as associated utilities, infrastructure and support systems.

This application is on file with the Commission and open to public inspection. It is available for review at the Commission in the Public Reference Room or may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC Online support at [FERConlinesupport@ferc.gov](mailto:FERConlinesupport@ferc.gov) or toll free at (866) 208-3676, or for TTY, contact (202) 502-8659.

Any questions concerning this application should be directed to counsel for Calhoun LNG, Lisa M. Tonery, King and Spalding LLP, at (212) 556-2307 (phone), (212) 556-2222 (fax), or [lttonery@kslaw.com](mailto:lttonery@kslaw.com).

There are two ways to become involved in the Commission's review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be

placed on the service list maintained by the Secretary of the Commission and will receive copies of all documents filed by the applicant and by all other parties. Unless filing electronically, a party must submit 14 copies of filings to the Commission and must mail a copy to the applicant and to every other party in the proceeding. Only parties to the proceeding can ask for court review of Commission orders in the proceeding.

Persons who wish to comment only on the environmental review of this project, or in support of or in opposition to this project, should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. The Commission's rules require that persons filing comments in opposition to the project provide copies of their protests only to the applicant. However, the non-party commenters will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.

The Commission strongly encourages electronic filings of comments, protests, and interventions via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the "e-Filing" link.
