

design services, licenses, catalysts, and refining equipment. The U.S. goods and services will be exported to Malaysia and establish production capacity of refined petrochemicals. There has been no significant change in the expected output of the facility, and the supported U.S. exports will enable the facility to produce 725 thousand metric tons per year of jet fuel, 894 thousand metric tons per year of light naphtha, 432 thousand metric tons per year of low sulfur fuel oil, 1.83 million metric tons per year of paraxylene, and 632 thousand metric tons per year of benzene. Production of paraxylene and benzene will primarily be sold to East Asia, while production of jet fuel, light naphtha, low sulfur fuel oil will primarily be sold regionally in Southeast Asia.

## FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-1257; FR ID 203006]

### Information Collection Being Reviewed by the Federal Communications Commission

**AGENCY:** Federal Communications  
Commission.

**ACTION:** Notice and request for  
comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or the Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize

the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

**DATES:** Written PRA comments should be submitted on or before April 16, 2024. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

**ADDRESSES:** Direct all PRA comments to Nicole Ongele, FCC, via email [PRA@fcc.gov](mailto:PRA@fcc.gov) and to [nicole.ongele@fcc.gov](mailto:nicole.ongele@fcc.gov).

**FOR FURTHER INFORMATION CONTACT:** For additional information about the information collection, contact Nicole Ongele, (202) 418-2991.

**SUPPLEMENTARY INFORMATION:** The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

*OMB Control Number:* 3060-1257.

*Title:* New Procedure for Non-Federal Public Safety Entities to License Federal Government Interoperability Channels.

*Form Number:* N/A.

*Type of Review:* Extension of a currently approved collection.

*Respondents:* Not-for-profit institutions and State, local, or tribal government.

*Number of Respondents and Responses:* 40,599 respondents; 40,599 responses.

*Estimated Time per Response:* 0.25 hours.

*Frequency of Response:* One-time reporting requirement.

*Obligation to Respond:* Section 90.25 adopted in Order DA 18-282, requires any non-federal public safety entity seeking to license mobile and portable units on the Federal Interoperability Channels to obtain written concurrence from its Statewide Interoperability Coordinator (SWIC) or a state appointed official and include such written concurrence with its application for license. A non-federal public safety entity may communicate on designated Federal Interoperability Channels for joint federal/non-federal operations, provided it first obtains a license from the Commission authorizing use of the channels. Statutory authority for these collections are contained in 47 U.S.C.

151, 154, 301, 303, and 332 of the Communications Act of 1934.

*Total Annual Burden:* 10,150 hours.

*Total Annual Cost:* No cost.

*Needs and Uses:* This collection will be submitted as an extension of a currently collection after this 60-day comment period to the Office of Management and Budget (OMB) in order to obtain the full three-year clearance. The purpose of requiring a non-federal public safety entity to obtain written consent from its SWIC or state appointed official before communicating with federal government agencies on the Federal Interoperability Channels is to ensure that the non-federal public safety entity operates in accordance with the rules and procedures governing use of the federal interoperability channels and does not cause inadvertent interference during emergencies. Commission staff will use the written concurrence from the SWIC or state appointed official to determine if an applicant's proposed operation on the Federal Interoperability Channels conforms to the terms of an agreement signed by the SWIC or state appointed official with a federal user with a valid assignment from the National Telecommunications and Information Administration (NTIA) which has jurisdiction over the channels.

Federal Communications Commission.
