SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–88610; File No. SR–NYSEARCA–2020–30]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 7.37–E To Specify the Exchange's Source of Data Feeds From the Long-Term Stock Exchange, Inc.

April 9, 2020.

Pursuant to Section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (the "Act"), ² and Rule 19b–4 thereunder, ³ notice is hereby given that on April 6, 2020, NYSE Arca, Inc. ("NYSE Arca" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7.37–E to update the Exchange's source of data feeds from the Long-Term Stock Exchange, Inc. ("LTSE") for purposes of order handling, order execution, order routing, and regulatory compliance. The proposed rule change is available on the Exchange's website at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b–4.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update and amend the use of data feeds table in Rule 7.37–E, which sets forth on a market-by-market basis the specific securities information processor (“SIP”) and proprietary data feeds that the Exchange utilizes for the handling, execution, and routing of orders, and for performing the regulatory compliance checks related to each of those functions. Specifically, the Exchange proposes to amend the table in Rule 7.37–E(d) to specify that, with respect to the LTSE, the Exchange will receive the SIP feed as its primary source of data for order handling, order execution, order routing, and regulatory compliance. The Exchange will not have a secondary source for data from LTSE.

The Exchange proposes that this proposed rule change would be operative on the day that LTSE launches operations as an equities exchange, which is currently scheduled for May 15, 2020.⁴

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Section 6(b)(5),⁶ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes its proposal to amend the table in Rule 7.37–E(d) to update the data feed source for LTSE will ensure that Rule 7.37–E correctly identifies and publicly states on a market-by-market basis all of the specific securities information processor and proprietary data feeds that the Exchange utilizes for the handling, execution, and routing of orders, and for performing the regulatory compliance checks for each of those functions. The proposed rule change also removes impediments to and perfects the

mechanism of a free and open market and protects investors and the public interest by providing additional specificity, clarity, and transparency in the Exchange’s rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue, but rather would provide the public and market participants with up-to-date information about the data feeds the Exchange will use for the handling, execution, and routing of orders, as well as for regulatory compliance.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b–4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b–4(f)(6) thereunder.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88613; File No. SR-NYSE-2020-33]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change for Certain Changes and Corrections to the NYSE Rule 9000 Series

April 9, 2020.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that on April 7, 2020, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes certain changes and corrections to the NYSE Rule 9000 Series (Code of Procedure). The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change

and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes certain changes and corrections to the NYSE Rule 9000 Series (Code of Procedure), as follows.

Proposed Rule Change

In 2013, the Commission approved the Exchange’s adoption of the Rule 8000 (Investigations and Sanctions) and Rule 9000 Series relating to investigation, discipline, sanction, and other procedural rules modeled on the rules of the Financial Industry Regulatory Authority, Inc. (“FINRA”).⁴ The Exchange’s affiliates NYSE American LLC (“NYSE American”), NYSE National, Inc. (“NYSE National”), and NYSE Arca, Inc. (“NYSE Arca”) have since each adopted versions of the Rule 8000 and Rule 9000 Series.⁵ The Exchange proposes certain changes in order to further harmonize its disciplinary rules with the disciplinary rules of its affiliates as well as to correct inconsistencies in the Rule 9000 Series.

First, Rule 9110 (Application) sets forth the types of proceedings to which the Rule 9000 Series applies and provides that, in performing the functions under the Rule 9000 Series, the Chief Regulatory Officer (“CRO”) and Regulatory Staff shall function independently of the commercial interests of the Exchange and the commercial interests of the member organizations. In order to strengthen and

further safeguard the regulatory independence of the Exchange’s CRO and Regulatory Staff, the Exchange proposes to add the following sentence to the end of the subsection:

No member of the Board of Directors or non-Regulatory Staff may interfere with or attempt to influence the process or resolution of any pending investigation or disciplinary proceeding.

The proposed sentence is based on the version of Rule 9110(a) adopted by the Exchange’s affiliates NYSE Arca and NYSE National, which contains an identical sentence.⁶

Second, Rule 9120 (Definitions) sets forth the definitions applicable to the Rule 9000 Series. Under the definition of “Interested Staff” in Rule 9120(t)(B)(iii), the Exchange would add an “s” in parentheses after “supervise” to conform to NYSE Arca Rule 10.9120(t)(B)(iii).

Third, Rule 9268 (Decision of Hearing Panel or Extended Hearing Panel) sets forth the timing and contents of a decision of a Hearing Panel or Extended Hearing Panel and the procedures for a dissenting opinion, service of the decision, and requests for review. Subsection (e)(2) provides that a majority decision with respect to an Exchange member that is an affiliate of the Exchange shall constitute final disciplinary action of the Exchange for purposes of SEC Rule 19d-1(c)(1) and may not be reviewed pursuant to Rule 9310, which governs review by the Exchange’s Board of Directors.

In order to conform Rule 9268(e)(2) with the changes proposed to Rule 9310(a) discussed below, and in order to further harmonize the Exchange’s disciplinary rules with its affiliates, the Exchange proposes to delete the phrase “an Exchange member that is” before “an affiliate of the Exchange” and add the phrase “as such term is defined in Rule 12b-2 under the Exchange Act” after “an affiliate of the Exchange.”

The proposed change would conform Rule 9268(e)(2) with NYSE Arca Rule 10.9268(e)(2), which contains the phrase “an affiliate of the Exchange as such term is defined in Rule 12b-2 under the Exchange Act.” Utilizing the definition of affiliate set forth in Rule 12b-2 under the Exchange Act would not diminish the current scope or application of the Rule since the proposed definition of affiliate would continue to encompass member and member organizations. Moreover, the proposed change would add clarity and transparency to the Exchange’s rules by using a definition of affiliate in the
