Title of Proposal: Report of Additional Classification and Wage Rate.

OMB Control Number, if applicable: 2501-0011.

Description of the need for the information and proposed use:

Contractors and subcontractors engaged on HUD-assisted construction projects subject to Davis-Bacon wage requirements must pay no less than the wages determined to be prevailing by the Secretary of Labor to all laborers and mechanics engaged in the construction work. Occasionally, the Davis-Bacon wage determination applicable to the construction work does not contain a prevailing wage rate for all classifications of work needed to complete the work. In such cases, the contractor or subcontractor that will employ the classification(s) missing from the wage determination must propose a wage rate for such classification(s) for the consideration of the Department of Labor (DOL) with respect to that construction work. HUD and local agencies that administer HUD-assisted programs use the form HUD-4230A to record and submit the contractor or subcontractor's additional classification and wage rate request to the DOL. The contractor or subcontractor may itself complete the form HUD-4230A or may submit its request in writing to HUD or the local agency involved; HUD or the local agency will transcribe the request to the form for submission to the DOL. HUD is modifying the form to better identify the applicable Davis-Bacon wage determination and the construction work involved. The modifications will

not affect the amount of time required to complete the information collection.

Agency form numbers, if applicable: HUD-4230A.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: An estimation of the total numbers of hours needed to prepare the information collection is 1,000, number of respondents is 500, frequency of response is on occasion, and the hours per response is 2. Recordkeeping requirements will add an additional hour for a total of 1,500 hours per year.

Status of the proposed information collection: Reinstatement with change of previously approved collection for which approval has expired.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: April 9, 2003.

Title of Proposal: Employee Questionnaire.

OMB Control Number, if applicable: None.

Description of the need for the information and proposed use: HUD and local agencies administering HUD-assisted programs must enforce Federal wage and reporting requirements on covered HUD-assisted construction and maintenance work. Enforcement activities include contacting laborers and mechanics and requesting information about their employment on covered projects. In addition, HUD and local agencies may be contacted by the workers or by others who wish to file a complaint of labor standards violation(s). HUD and local agencies have used many formats to collect worker information and to record complainant information. HUD

proposes to standardize and institute two forms for these collections: an employee questionnaire and a complaint intake form. The questionnaire may be mailed to employees or may be otherwise provided to them to complete and return to HUD or the local agency. Complaint intake forms will be used by HUD and local agency personnel to record information provided by complainants about the nature of the alleged violation(s). Both forms may be supplemented with additional pages, as needed. Responses and the provision of supplemental information is voluntary on the part of questionnaire respondents. Questionnaire responses and complaint intake forms must be retained by the HUD and local agencies to document the sufficiency of enforcement efforts.

Agency form numbers, if applicable: To be assigned.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response:

Item	Number of respondents	Amount of time required (in hrs.)	Total time required (in hrs.)/ annum
