Selection Criteria

Companies will be selected for participation in the mission on the basis of:

- Consistency of company's goals with the scope and desired outcome of the mission as described herein;
- Relevance of a company's business and product line to the identified growth sectors;
- Seniority of the representative of the designated company;
- Past, present, or prospective international business activity;
- Diversity of company size, type, location, demographics, and traditional under-representation in business.

An applicant's partisan, political activities (including political contributions) are irrelevant to the selection process.

VI. Time Frame for Applications

Applications for the China Business Development mission will be made available on or about February 22, 2002. The fee to participate in this mission has not yet been determined, but will be approximately \$6,000–\$8,000. The fees will not cover travel or lodging expenses, which will be the responsibility of each participant. For additional information on the trade mission or to obtain an application, contact the Department of Commerce Office of Business Liaison at 202–482–1360. Applications should be submitted to the Office of Business Liaison by March 15, 2002, in order to ensure sufficient time to obtain in-country appointments for applicants selected to participate in the mission. Applications received after that date will be considered only if space and scheduling constraints permit. Contact: Office of Business Liaison, Room 5062, Department of Commerce, Washington, D.C. 20230, Tel: (202) 482–1360, Fax: (202) 482–4054, Mission Web Site: <http://www.doc.gov/chinatrade mission>.

Dated: February 22, 2002.

FOR FURTHER INFORMATION CONTACT:

Ruth Johnson or Amy Sloan (301) 713–2289.

SUPPLEMENTARY INFORMATION: The subject permit is requested under the authority of the Marine Mammal Protection Act of 1972, as amended (MMPA; 16 U.S.C. 1361 *et seq.*), the Regulations Governing the Taking and Importing of Marine Mammals (50 CFR part 216).

The applicant proposes to obtain up to 10 California sea lions (CSL) and 5 harbor seals (HS) with no more than 8 animals (6 CSL and 2 HS) maintained at any given time. Animals will be obtained from rehabilitation centers, Naval facilities, or aquaria to be used in the research program. All research projects are accomplished through the cooperative assistance of trained marine mammals. The three proposed areas of research focus include physiology research, veterinary medicine, and ocean exploration. First, physiology experiments will be performed in both the laboratory and free release settings in the open ocean, continuing on and building on previous physiology
