Abstract: The Securities Exchange Act of 1934 ('34 Act) authorizes the Board to regulate securities credit issued by banks, brokers and dealers, and other lenders. The purpose statements, FR U-1, FR T-4, and FR G-3, are recordkeeping requirements for banks, brokers and dealers, and other lenders, respectively, to document the purpose of their loans secured by margin stock. Other lenders also must register and deregister with the Federal Reserve using the FR G-1 and FR G-2, respectively, and must file an annual report (FR G-4). The Federal Reserve uses the data to identify lenders subject to Regulation U, to verify compliance with Regulations T, U, and X, and to monitor margin credit.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the General Counsel; Privacy Act of 1974: Revision to Existing System of Records

AGENCY: Office of the General Counsel (OGC), Office of the Secretary, HHS. **ACTION:** Notice of revision to an existing system of records.

SUMMARY: In accordance with the requirements of the Privacy Act, the Department of Health and Human Services (HHS) is publishing a notice of the minor revision of an existing system of records, 09–90–0062, Administrative Claims. The revised system makes some minor changes due to the records that will be part of the Early Offers Pilot, which HHS announced in the **Federal Register** on September 24, 2004 (67 FR 57294).

DATES: The revision does not add routine uses to this system. This amendment will be effective without further notice on the day of its publication.

FOR FURTHER INFORMATION CONTACT:

Jeffrey S. Davis, Acting Associate General Counsel, General Law Division, Office of the General Counsel, U.S. Department of Health and Human Services, Room 4760, 330 Independence Ave., SW., Washington, DC 20201. The telephone number is 202–690–0153.

SUPPLEMENTARY INFORMATION: The revised system adds a new location in the Appendix for a small subset of information contained in this system pertinent to HHS's Early Offers Pilot, which was announced in the Federal Register on September 24, 2004 (67 FR 57294). The new location is for the contractor who maintains the Early Offers Pilot records. The revised system clarifies that the existing categories of records in the system cover Early Offers Pilot records because those records are pertinent to the particular claim asserted and are relevant to the final determinations made on claims. The revised system adds the Early Offers Pilot contractor to the "Safeguards' section of the system notice. The revised system limits the existing routine uses that the agency may use for information that is gathered under the Early Offers Pilot. The revised system corrects

typographical errors in the previous system notice, updates the "Retrievability" section, and updates addresses in the Appendix of the system. The revised notice also updates the notification procedures. Finally, this revised system removes the references in the "Safeguards" section and the Appendix of the system notice to the Social Security Administration (SSA) because the SSA became an independent agency in 1995 and, therefore, is no longer part of HHS. The notice is published below in its entirety, as amended.
