Office of the Secretary

[Docket ID: DoD-2022-OS-0084]

Proposed Collection; Comment Request

AGENCY: The Office of the Under Secretary of Defense for Research and Engineering (OUSD(R&E)), Department of Defense (DoD).

ACTION: 60-Day information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Office of the Under Secretary of Defense for Research and Engineering announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: whether the proposed collection of information is necessary for the proper performance of the

functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by September 26, 2022.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- **Federal eRulemaking Portal:** <http://www.regulations.gov>. Follow the instructions for submitting comments.

Title; Associated Form; and OMB Number: Science, Mathematics and Research for Transformation Scholarship Program; DD Forms 3067-2, 3067-4, 3067-7, 3067-8, 3067-9, 3067-11, 3067-12, 3067-13, 3067-15; OMB Control Number 0704-0466.

Needs and Uses: Science, Mathematics and Research for Transformation Scholarship Program (SMART) is designed to increase the number of new civilian science, technology, engineering, and mathematics (STEM) entrants to the DoD. Additionally, the SMART Program develops and retains current DoD civilian STEM employees that are

critical to the national security functions of the DoD and are needed in the DoD's workforce. SMART awards scholarships, ranging from 1.5 to 5 years, to undergraduate and graduate level students pursuing a degree in one of 21 technical disciplines. Upon graduation, scholars fulfill a service commitment with the DoD facility that nominated the scholar for an award. The information collection activity under review is a statutory and functional requirement necessary to administer the scholarship program.
