and regional intermediaries with

covering a six-month planning period  
and two full years of operation. Grantees

poverty, high-crime communities across  
at least two States.

#### I. Funding Opportunity Description

Each year approximately 650,000  
persons are released from State and  
Federal prisons. These prisoners do not  
return to communities evenly  
distributed across the United States, but  
rather return disproportionately to high-  
poverty communities characterized by  
high rates of joblessness, crime, and  
drug abuse. Released prisoners face high  
probabilities of returning to crime, with  
Department of Justice data showing that  
three out of five released prisoners are  
arrested for new crimes within three  
years, and two out of five return to  
prison within three years. Returning  
offenders face a myriad of problems that  
contribute to their high rates of re-arrest  
and re-imprisonment, including  
joblessness, low educational levels, and  
drug addiction. The unemployment rate  
among ex-prisoners has been estimated  
between 25 and 40 percent. An  
estimated 19 percent of adult State  
prisoners are completely illiterate and  
40 percent are functionally illiterate;  
over half of State parole entrants are not  
high school graduates; and as many as  
eleven percent have only an eighth  
grade education or less.

To help address these problems the  
DOL will award grants under this  
announcement to improve the  
employment prospects of young adult  
(ages 18 to 24) released prisoners and  
high school dropouts living in high-  
poverty, high-crime communities. The  
purpose of these grants is to prepare

these individuals for employment, by  
increasing the employment rate of  
participants, decreasing the recidivism  
rate of young offenders served,  
increasing the rate at which participants  
receive high school diplomas and  
industry-recognized credentials, and  
increasing the rate at which participants  
enter post-secondary education and  
training. These grants will be awarded  
through a competitive process open to  
national and regional intermediaries  
with experience conducting multi-site  
projects and experience serving young  
adult offenders. The DOL expects to  
award two grants of \$10 million each  
covering a six-month planning period  
and two full years of operation. Program  
Requirements are as follows:

#### A. Selection of Sub-Grantees

Grantees will be required to  
competitively select local sub-grantees  
to operate the program in a minimum of  
five high-poverty, high-crime  
communities across at least two States.  
This competition should be held after  
grant award. The Department is not  
encouraging applicants to hold  
competitions or select local sub-grantees  
and sites prior to submitting their  
proposals and applicants will not  
receive any additional points for  
identifying local sub-grantees and sites  
in their proposals.

Grantees must follow their own  
procurement requirements in  
conducting this competition, provided  
that they meet the federal standards at  
29 CFR Parts 95 and 97. These federal  
standards require that procurement  
transactions be conducted in a manner  
providing to the maximum extent  
practical, open and free competition.  
The Department recognizes that national  
and regional intermediary organizations  
vary as to whether or not they have local  
offices, affiliates, or members. National  
and regional intermediaries without  
local offices, affiliates, or members must  
conduct an open and free competition to  
select sub-grantees and sites. National  
and regional intermediaries with local  
offices, affiliates, or member  
organizations must also conduct an  
open and free competition to select sub-  
grantees and sites but may restrict the  
competition to its local offices, affiliates,  
or members to select sub-grantees and  
sites. If a proposal identifies a specific  
entry to provide services, the DOL/  
ETA's award does not provide the  
justification or basis to sole source the  
procurement, i.e., avoid competition,  
unless the activity is regarded as the  
primary work of an official partner to  
the application.
