### Foreign-Trade Zone (FTZ) 45, Notification of Proposed Production Activity, SSI Shredding Systems, Inc., (Industrial Shredders and Compactors), Wilsonville and Portland, Oregon

SSI Shredding Systems, Inc. submitted a notification of proposed

production activity to the FTZ Board (the Board) for its facilities in Wilsonville and Portland, Oregon within Subzone 45J. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on April 11, 2025.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material(s)/ component(s) and specific finished product(s) described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

The proposed finished products include: customized industrial shredding machines; customized industrial compactor machines; industrial cutting blades; drive shafts; spacers; drive assemblies; hydraulic units; steel frame weldments; bearing assemblies; machined steel parts for shredders and compactors; gears; hoppers; hoods; guards; shields; screens; platforms; and, cleaning fingers (duty rate—free).

The proposed foreign-status materials/components include: alloy steel blanks for cutting blades; hydraulic cylinders; steel frame weldments; steel blanks for structural framing; heavy wall round steel tubing; steel round bar; steel rectangular bar; tapered roller bearings; and, spherical roller bearings (duty rate—free or 5.8%). The request indicates that certain materials/components are subject to duties under section 1702(a)(1)(B) of the International Emergency Economic Powers Act (section 1702), section 232 of the Trade Expansion Act of 1962 (section 232) and/or section 301 of the Trade Act of 1974 (section 301), depending on the country of origin. The applicable section 1702, section 232 and section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign (PF) status (19 CFR 146.41). The request also indicates that certain bearings are subject to an antidumping/ countervailing duty (AD/CVD) order/ investigation if imported from China. The Board's regulations (15 CFR 400.13(c)(2)) require that merchandise subject to AD/CVD orders, or items which would be otherwise subject to suspension of liquidation under AD/CVD procedures if they entered U.S. customs territory, be admitted to the zone in PF status.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive

Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is May 27, 2025.

### Float Glass Products From the People's Republic of China and Malaysia: Postponement of Preliminary Determinations in the Less-Than-Fair-Value Investigations

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable April 17, 2025.

#### FOR FURTHER INFORMATION CONTACT:

Dmitry Vladimirov (the People's Republic of China (China)) and Jeffrey Pedersen (Malaysia), AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0665 and (202) 482-2769, respectively.

#### SUPPLEMENTARY INFORMATION:

#### Background

On January 8, 2025, the U.S. Department of Commerce (Commerce) initiated the less-than-fair-value (LTFV) investigations on imports of float glass products from China and Malaysia.<sup>1</sup> The preliminary determinations are currently due no later than May 20, 2025.

#### Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in an LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A) of the Act

<sup>1</sup> See *Float Glass Products from the People's Republic of China and Malaysia: Initiation of Less-Than-Fair-Value Investigation*, 90 FR 1435 (January 8, 2025).

permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On March 31, 2025, Vitro Flat Glass, LLC and Vitro Meadville Flat Glass, LLC. (the petitioner) submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations.<sup>2</sup> The petitioner stated that it requests postponement to ensure that Commerce has sufficient time to review and consider the information provided in questionnaire responses and allow the petitioner time to submit rebuttal factual information or otherwise comment on the adequacy of any questionnaire responses.<sup>3</sup>

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce is postponing the deadline for the preliminary determinations by 50 days, *i.e.*, 190 days after the date on which these investigations were initiated, in accordance with section 733(c)(1)(A) of the Act. As a result, Commerce will issue its preliminary determinations no later than July 9, 2025. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

#### Notification to Interested Parties

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: April 7, 2025.
