Background

On May 4, 2023, Commerce published the *Preliminary Results*.¹ On July 19, 2023, we extended the deadline for these final results to October 31, 2023.² For a complete description of the events that occurred subsequent to the *Preliminary Results*, see the Issues and Decision Memorandum.³ Commerce conducted this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

While HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

We addressed all the issues raised in the case and rebuttal briefs in the Issues and Decision Memorandum. A list of the issues that parties raised is provided in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). Changes Since the Preliminary Results

Based on a review of the record and comments received from interested

parties regarding the *Preliminary Results*, we have made certain changes to the margin calculations for Dongyuan.⁶

Final Results of Review

As a result of this review, we are assigning the following estimated weighted-average dumping margins for the period April 1, 2021, through March 31, 2022:

Producer or exporter	Weighted-average dumping margin (percent)
Guangdong Dongyuan Kitchenware Industrial Co., Ltd	5.85
Guangdong Yingao Kitchen Utensils Co., Ltd	76.45

Disclosure

Commerce intends to disclose the calculations performed in connection with these final results to interested parties within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

For Dongyuan, Commerce calculated importer- (or customer-) specific per-unit duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's (or customer's) examined sales to the total sales quantity associated with those sales, in accordance with 19 CFR 351.212(b)(1). Where either Dongyuan's weighted-average dumping margin is zero or *de minimis*, or an importer-specific rate is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Pursuant to Commerce's assessment practice,⁷ for entries that were not reported in the U.S. sales data submitted by Dongyuan, we will instruct CBP to liquidate such entries at the China-wide

rate of 76.45 percent.⁸ Furthermore, because we find that Shenzhen Kehuaxing and Yingao are part of the China-wide entity, we will also instruct CBP to apply an *ad valorem* assessment rate of 76.45 to all POR entries of subject merchandise that were produced and/or exported by either Shenzhen Kehuaxing or Yingao.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these final results. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on, or after, the publication date of the final results of review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Dongyuan will be equal to the dumping margin established in the final results of this review; (2) for a previously investigated or reviewed exporter of subject merchandise not listed in the final results of review that has a separate rate, the cash deposit rate will continue to be the exporter's existing cash deposit rate; (3) for all Chinese exporters of subject merchandise that do not have a separate rate, the cash deposit rate will be the cash deposit rate established for the China-wide entity, *i.e.*, 76.45 percent;⁹ and (4) for all exporters of subject merchandise that are not located in China and that are not eligible for a separate rate, the cash deposit rate will be the rate applicable to the China exporter(s) that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility

⁸ The China-wide rate determined in the investigation was 76.53 percent. See *Order*, 78 FR at 21594.
