

rules on aviation safety. Subtitle I, section 106, describes the authority of the FAA Administrator. "Subtitle VII: Aviation Programs," describes in more detail the scope of the Agency's authority.

We are issuing this rulemaking under the authority described in "Subtitle VII, Part A, Subpart III, Section 44701: General requirements." Under that section, Congress charges the FAA with promoting safe flight of civil aircraft in air commerce by prescribing regulations for practices, methods, and procedures the Administrator finds necessary for safety in air commerce. This regulation is within the scope of that authority because it addresses an unsafe condition that is likely to exist or develop on products identified in this rulemaking action.

Regulatory Findings

We determined that this AD will not have federalism implications under Executive Order 13132. This AD will not have a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government.

For the reasons discussed above, I certify this AD:

1. Is not a "significant regulatory action" under Executive Order 12866;
2. Is not a "significant rule" under the DOT Regulatory Policies and Procedures (44 FR 11034, February 26, 1979); and
3. Will not have a significant economic impact, positive or negative, on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

We prepared a regulatory evaluation of the estimated costs to comply with this AD and placed it in the AD docket.

Examining the AD Docket

You may examine the AD docket on the Internet at <http://www.regulations.gov>; or in person at the Docket Operations office between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The AD docket contains this AD, the regulatory evaluation, any comments received, and other information. The street address for the Docket Operations office (phone: (800) 647-5527) is provided in the **ADDRESSES** section. Comments will be available in the AD docket shortly after receipt.

DEPARTMENT OF LABOR

Office of Workers' Compensation Programs

20 CFR Parts 701, 702, 703, 725, and 726

RIN 1240-AA05

Technical Amendments

AGENCY: Office of Workers' Compensation Programs, Labor.

ACTION: Final rule.

SUMMARY: The Office of Workers' Compensation Programs is making

technical amendments to reflect the dissolution of the Employment Standards Administration and the Secretary's delegation of authority to administer the Longshore and Harbor Workers' Compensation Act (and its extensions) and the Black Lung Benefits Act to the Director, Office of Workers' Compensation Programs. The amendments also add and update Internet addresses, and update cross-references to other regulations.

DATES: Effective June 21, 2012.

FOR FURTHER INFORMATION CONTACT: Gary Steinberg, Acting Director, Office of Workers' Compensation Programs, U.S. Department of Labor, Room S-3524, 200 Constitution Avenue NW., Washington, DC 20210. *Telephone:* (202) 693-0031 (this is not a toll-free number). TTY/TDD callers may dial toll free 1-800-877-8339 for further information.

SUPPLEMENTARY INFORMATION:

I. Background of This Rulemaking

Prior to November 8, 2009, the Secretary of Labor had delegated her statutory authority to administer the Longshore and Harbor Workers' Compensation Act and its extensions (LHWCA) and the Black Lung Benefits Act (BLBA) to the Assistant Secretary for the Employment Standards Administration (ESA). Secretary's Order 13-71, 36 FR 8755 (May 12, 1971). The Assistant Secretary, in turn, delegated authority to administer both programs to the Office of Workers' Compensation Programs (OWCP), one of ESA's sub-agencies.

On November 8, 2009, the Secretary dissolved ESA into its constituent components. *See* Secretary's Order 10-2009, 74 FR 58834 (Nov. 13, 2009). The Secretary then delegated her authority to administer the LHWCA and the BLBA directly to the Director, OWCP. *Id.*

To reflect this transfer of administrative authority, the Secretary issued a final rule changing the heading of 20 CFR chapter VI, which contains regulations implementing the LHWCA and the BLBA, from "Employment Standards Administration" to "Office of Workers' Compensation Programs." 75 FR 63379 (Oct. 15, 2010).

Numerous references to ESA remain in the regulatory text published in 20 CFR chapter VI. On January 18, 2011, the President issued Executive Order 13563, 76 FR 3821, calling upon agencies to review existing regulations and to revise outmoded provisions. In accordance with the Executive Order, this rule updates the regulations to reflect the Department's current organizational structure. The rule deletes all references to ESA and

ensures that the regulations, in all respects, reflect that OWCP is the agency empowered to administer the LHWCA and the BLBA. The revisions do not change any substantive rule governing administration of these statutes.

ESA's dissolution has also necessitated revising several Internet addresses in these regulations, which previously included references to ESA in their URLs. This rule updates all Internet addresses in this chapter. In addition, this rule updates cross-references to other sections within Title 20 to correspond to changes in those other sections.

II. Statutory Authority

Section 39(a) of the LHWCA (33 U.S.C. 939(a)) and sections 411(b), 422(a), and 426(a) of the BLBA (30 U.S.C. 921(b), 932(a), and 936(a)) authorize the Secretary of Labor to prescribe rules and regulations necessary for the administration and enforcement of the LHWCA and the BLBA.

III. Rulemaking Analyses

Administrative Procedure Act

The Department has not published a notice of proposed rulemaking for this rule. Under Administrative Procedure Act (APA) section 553(b)(A), 5 U.S.C. 553(b)(A), the Department finds that this rule is exempt from notice and comment rulemaking requirements because these revisions involve rules of agency organization, procedure, or practice. In addition, the Department finds good cause under APA section 553(b)(B), 5 U.S.C. 553(b)(B), to publish this rule without notice and comment procedures because the rule only reflects the delegation of administrative authority within the Department and makes minor clerical updates, and does not alter any substantive standard. For these same reasons, the Department finds that good cause exists for making the rule effective upon publication under APA section 553(d)(3), 5 U.S.C. 553(d)(3).

Regulatory Flexibility Act

This rule is not subject to the regulatory flexibility provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) because it is not subject to the APA's proposed rulemaking requirements.

Congressional Review Provisions of the Small Business Regulatory Enforcement Fairness Act (SBREFA)

This rule is not classified as a "rule" under SBREFA, because it is a rule pertaining to agency organization,

procedure, or practice that does not substantially affect the right of non-agency parties (*see* 5 U.S.C. 804(3)(C)).

Unfunded Mandates Reform Act

This rule is not subject to sections 202 or 205 of the Unfunded Mandates Reform Act (UMRA, 2 U.S.C. 1501 *et seq.*) because it is not subject to the APA's proposed rulemaking requirements. In addition, this action does not significantly or uniquely affect small governments or impose a significant intergovernmental mandate as described in sections 203 and 204 of the UMRA.

Paperwork Reduction Act

This rule does not impose an information collection burden under the provisions of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

Executive Order 12866

This rule is not a "significant regulatory action" and is therefore not subject to review by the Office of Management and Budget under Executive Order 12866 (58 FR 51735).

Executive Order 13132 (Federalism)

The Department has reviewed this rule in accordance with Executive Order 13132 (64 FR 43255) regarding federalism, and has determined that it does not have "federalism implications." The rule will not "have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government."

Executive Order 12988 (Civil Justice Reform)

This rule meets the applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform (61 FR 4729), to minimize litigation, eliminate ambiguity, and reduce burden.

SUPPLEMENTARY INFORMATION:

Background

TTB Authority

Chapter 52 of the Internal Revenue Code of 1986 (IRC) sets forth the Federal excise tax and related provisions that apply to manufacturers and importers of tobacco products, processed tobacco, and cigarette papers and tubes, and to export warehouse proprietors who hold such products, upon which tax has not been paid, pending export. The Alcohol and Tobacco Tax and Trade Bureau (TTB) administers chapter 52 of the IRC pursuant to section 1111(d) of the Homeland Security Act of 2002, codified at 6 U.S.C. 531(d). The Secretary has delegated various authorities through Treasury Department Order 120-01 (Revised), dated January 21, 2003, to the TTB Administrator to perform the functions and duties in the administration and enforcement of this law.

Section 5701 of the IRC (26 U.S.C. 5701) sets forth the excise tax rates that apply to domestic and imported tobacco products and cigarette papers and tubes. Section 5702 of the IRC (26 U.S.C. 5702) defines tobacco products as cigars, cigarettes, smokeless tobacco, pipe

tobacco, and roll-your-own tobacco and separately defines each of these terms. That section also defines other relevant terms, such as "manufacturer of tobacco products," "importer," and "export warehouse proprietor."

Sections 5712 and 5713 of the IRC (26 U.S.C. 5712 and 5713) provide that manufacturers and importers of tobacco products and processed tobacco and export warehouse proprietors must obtain a permit to engage in such businesses. Section 5712 also allows for the promulgation of regulations to prescribe minimum manufacturing and activity requirements for such permittees. Sections 5721, 5722, and 5741 of the IRC (26 U.S.C. 5721, 5722, 5741) authorize the promulgation of regulations to require inventories, reports, and recordkeeping, respectively. Section 5723 of the IRC (26 U.S.C. 5723) includes authority to promulgate regulations regarding standards for packages, and for marks, labels, and notices on such packages of tobacco products, processed tobacco, and cigarette papers and tubes.

Regulations implementing the provisions of chapter 52 of the IRC are contained in 27 CFR parts 40 (manufacture of tobacco products, cigarette papers and tubes, and processed tobacco), 41 (importation of tobacco products, cigarette papers and tubes, and processed tobacco), 44 (exportation of tobacco products and cigarette papers and tubes, without payment of tax, or with drawback of tax), and 45 (removal of tobacco products and cigarette papers and tubes, without payment of tax, for use of the United States). These regulatory provisions are administered by TTB.

Children's Health Insurance Program Reauthorization Act of 2009

On February 4, 2009, the President signed into law the Children's Health Insurance Program Reauthorization Act of 2009, Public Law 111-3, 123 Stat. 8 ("CHIPRA"). Section 701 of CHIPRA amended the IRC to increase the Federal excise tax rates on tobacco products and cigarette papers and tubes. Section 701 also imposed a floor stocks tax on such articles held for sale on the effective date of the tax rate increases (April 1, 2009). On March 31, 2009, TTB published in the **Federal Register** (74 FR 14479) a temporary rule, T.D. TTB-75, to amend the TTB regulations to reflect the section 701 changes. On July 22, 2010, TTB published in the **Federal Register** (75 FR 42605) T.D. TTB-85 which adopted those temporary regulations as a final rule. The section 701 statutory and regulatory changes are not the subject of this document.
