Republic of China: Issues and Decision Memorandum for the Final Results of the 2009–2010 Administrative Review,” dated March 2, 2012 (“Issues and Decision Memorandum”), which is hereby adopted by this notice. A list of the issues that parties raised and to which we responded in the Issues and Decision Memorandum follows as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Service System (“IA ACCESS”). Access to IA ACCESS is available in the Central Records Unit, Main Commerce Building, Room 7046. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the Internet at <http://www.trade.gov/ia>. Period of Review

The POR is November 1, 2009, through October 31, 2010.

Scope of the Order

The products covered by the order are all gauges of raw, pre-treated, or primed PET film, whether extruded or co-extruded. Excluded are metalized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer more than 0.00001 inches thick. Also excluded is roller transport cleaning film which has at least one of its surfaces modified by application of 0.5 micrometers of SBR latex. Tracing and drafting film is also excluded. PET film is classifiable under subheading 3920.62.00.90 of the HTSUS. While HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order is dispositive.

Changes Since the Preliminary Results

Based on an analysis of the comments received, the Department has made certain changes in the margin calculation. For the final results, the Department has made the following changes:

- We revised the calculated surrogate overhead, selling, general and administrative expenses, and profit applicable to Respondents using information from the financial statements of JBF Industries Limited, a manufacturer in India of merchandise comparable to the subject merchandise.

- We revised the surrogate valuation of PET scrap sold, applying Indian HTS subheading 3907.60.

Final Results Margin

We determine the weighted-average dumping margins for the period November 1, 2009, through October 31, 2010, to be:

POLYETHYLENE TEREPHTHALATE FILM, SHEET, AND STRIP FROM THE PRC

Exporter	Weighted-average margin (percentage)
Tianjin Wanhua Co., Ltd	8.42
Sichuan Dongfang Insulating Material Co., Ltd	10.87
Fuwei Films (Shandong) Co., Ltd	8.48
Shaoxing Xiangyu Green Packing Co., Ltd	8.48

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Tariff Act of 1930, as amended (“the Act”) and 19 CFR 351.212(b), the Department will determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. For assessment purposes, we calculated importer (or customer)-specific assessment rates for merchandise subject to this review. Where appropriate, we calculated an *ad valorem* rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total entered values associated with those transactions. For duty-assessment rates calculated on this basis, we will direct CBP to assess the resulting *ad valorem* rate against the entered customs values for the subject merchandise. Where appropriate, we calculated a per-unit rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total sales quantity associated with those transactions. For duty-assessment rates calculated on this basis, we will direct CBP to assess the resulting per-unit rate against the entered quantity of the subject merchandise. Where an importer (or customer)-specific assessment rate is *de minimis* (i.e., less than 0.50 percent), the Department will instruct CBP to assess that importer (or customer’s)

entries of subject merchandise without regard to antidumping duties, in accordance with 19 CFR 351.106(c)(2). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For Wanhua, Dongfang, Fuwei Films and Shaoxing Xiangyu Green Packing Co., Ltd. (“Green Packing”), the cash deposit rate will be the rate identified in the Final Results Margin section, as listed above; (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will continue to be the PRC-wide rate of 76.72 percent;⁵ and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. The deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This notice also serves as a reminder to parties subject to administrative protective orders (“APOs”) of their responsibility concerning the return or

We are issuing and publishing the final results and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
