ACTION: Final rule.

SUMMARY: The Civilian Agency
Acquisition Council and the Defense
Acquisition Regulations Council
(Councils) have agreed on a final rule
amending the Federal Acquisition
Regulation (FAR) to reflect the
President's delegation of the Defense
Production Act's priorities and
allocations authorities in Executive
Order 12919, and to reflect the current
provisions of the Defense Priorities and
Allocations System (DPAS) regulations

of the Department of Commerce outlined in 15 CFR Part 700.

DATES: Effective Date: April 22, 2008. **FOR FURTHER INFORMATION CONTACT:** Ms. Cecelia L. Davis, Procurement Analyst, at (202) 219–0202 for clarification of content. For information pertaining to status or publication schedules, contact the FAR Secretariat at (202) 501–4755. Please cite FAC 2005–25, FAR case 2006–033.

SUPPLEMENTARY INFORMATION:

A. Background

Under Title I of the Defense Production Act (50 U.S.C. App. 2061, et seq.), the President is authorized to require preferential acceptance and performance of contracts or orders supporting certain approved national defense and energy programs, and to allocate materials, services, and facilities in such a manner to promote these approved programs. Additional priorities authority is found in section 18 of the Selective Service Act of 1948 (50 U.S.C. App. 468), 10 U.S.C. 2538, and 50 U.S.C. 82.

The President delegated the priorities and allocations authorities of the Defense Production Act in E.O. 12919, as amended. The President has delegated the authority to approve a program for priorities and allocations support to the Secretaries of Defense, Energy, and Homeland Security. As part of that delegation, the President designated the Secretary of Commerce to administer the Defense Priorities and Allocations System (DPAS). The Defense Production Act authority has also been extended to support emergency preparedness activities under Title VI of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (42 U.S.C. 5195, et seq.), and critical infrastructure protection and restoration.

The FAR is revised as follows:

- Subpart 2.101 revised the definition of "national defense" to include a reference to the DPAS definition, which includes critical infrastructure protection and restoration.
- Subpart 11.6, Priorities and Allocations, is revised to reflect the President's delegation of the Defense Production Act's priorities and allocations authorities in Executive Order 12919, and the current provisions of the DPAS regulations of the Department of Commerce (see 15 CFR Part 700).
- Parts 18 and 52 are revised to include the emergency acquisition text.
- Subpart 53.3 is revised to add changes to Standard Form 26 and 1447.

The Councils are publishing this rule as a final rule without comment under

41 U.S.C. 418b, because it implements the President's delegable authorities outlined in the Defense Production Act in Executive Order 12919, amended, which are not subject to negotiation. The FAR changes will not have significant effect beyond the internal operating procedures of the agency issuing the procurement policy, regulation, procedure, or form, or have a significant administrative impact on contractors or offerors.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804

B. Regulatory Flexibility Act

The Regulatory Flexibility Act does not apply to this rule. This final rule does not constitute a significant FAR revision within the meaning of FAR 1.501 and Pub. L. 98–577, and publication for public comments is not required. However, the Councils will consider comments from small entities concerning the affected FAR Parts 2, 11, 18, 52, and 53, in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, et seq. (FAC 2005–25, FAR case 2006–033), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes to the FAR do not impose information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

PART 2—DEFINITIONS OF WORDS AND TERMS

■ 2. Amend section 2.101 in paragraph (b)(2) by revising the definition "National defense" to read as follows:

2.101 Definitions.

(b) * * * * * (2) * * *

National defense means any activity related to programs for military or atomic energy production or construction, military assistance to any foreign nation, stockpiling, or space, except that for use in Subpart 11.6, see the definition in 11.601.

PART 11—DESCRIBING AGENCY NEEDS

■ 3. Revise sections 11.600 through 11.603 to read as follows:

11.600 Scope of subpart.

This subpart implements the Defense Priorities and Allocations System (DPAS), a Department of Commerce regulation in support of approved national defense, emergency preparedness, and energy programs (see 15 CFR part 700).

11.601 Definitions.

As used in this subpart—

Approved program means a program determined as necessary or appropriate for priorities and allocations support to promote the national defense by the Secretary of Defense, the Secretary of Energy, or the Secretary of Homeland Security, under the authority of the Defense Production Act, the Stafford Act, and Executive Order 12919, or the Selective Service Act and related statutes and Executive Order 12742.

Delegate Agency means a Government agency authorized by delegation from the Department of Commerce to place priority ratings on contracts or orders needed to support approved programs.

National defense means programs for military and energy production or construction, military assistance to any foreign nation, stockpiling, space, and any directly related activity. Such term includes emergency preparedness activities conducted pursuant to title VI of The Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5195 et seq.) and critical infrastructure protection and restoration. (50 U.S.C. App. § 2152).

Rated order means a prime contract, a subcontract, or a purchase order in support of an approved program issued in accordance with the provisions of the DPAS regulation (15 CFR part 700).

11.602 General.

(a) Under Title I of the Defense Production Act of 1950 (50 U.S.C. App. 2061, et seq.), the President is authorized to require preferential acceptance and performance of contracts and orders supporting certain approved national defense and energy programs and to allocate materials, services, and facilities in such a manner as to promote these approved programs.

(b) The President delegated the priorities and allocations authorities of the Defense Production Act in Executive Order 12919. As part of that delegation, the President designated the Secretary of Commerce to administer the DPAS. For more information, check the DPAS website at: www.bis.doc.gov/dpas.

11.603 Procedures.

(a) There are two levels of priority for rated orders established by the DPAS, identified by the rating symbols "DO" and "DX". All DO rated orders have equal priority with each other and take preference over unrated orders. All DX rated orders have equal priority with each other and take preference over DO rated and unrated orders (see 15 CFR 700.11). The DPAS regulation contains provisions concerning the elements of a rated order (see 15 CFR 700.12); acceptance and rejection of rated orders (see 15 CFR 700.13); preferential scheduling (see 15 CFR 700.14); extension of priority ratings (flowdown) (see 15 CFR 700.15); changes or cancellations of priority ratings and rated orders (see 15 CFR 700.16); use of rated orders (see 15 CFR 700.17); and limitations on placing rated orders (see 15 CFR 700.18).

(b) The Delegate Agencies have been given authority by the Department of Commerce to place rated orders in support of approved programs (see Schedule I of the DPAS). Other U.S. Government agencies, Canada, and foreign nations may apply for priority rating authority.

(c) Rated orders shall be placed in accordance with the provisions of the DPAS.

(d) Agency heads shall ensure compliance with the DPAS by contracting activities within their agencies.

(e) Agency heads shall provide contracting activities with specific guidance on the issuance of rated orders in support of approved agency programs, including the general limitations and jurisdictional limitations on placing rated orders (see 15 CFR 700.18 and Executive Order 12919).

(f) Contracting officers shall follow agency procedural instructions concerning the use of rated orders in support of approved agency programs.

(g) Contracting officers, contractors, or subcontractors at any tier, that experience difficulty placing rated orders, obtaining timely delivery under rated orders, locating a contractor or supplier to fill a rated order, ensuring that rated orders receive preferential treatment by contractors or suppliers, or require rating authority for items not automatically ratable under the DPAS, should promptly seek special priorities assistance in accordance with agency procedures (see 15 CFR 700.50—700.55 and 700.80).

(h) The Department of Commerce may take specific official actions (Ratings Authorizations, Directives, Letters of Understanding, Administrative Subpoenas, Demands for Information, and Inspection Authorizations) to implement or enforce the provisions of the DPAS (see 15 CFR 700.60–700.71).

(i) Contracting officers shall report promptly any violations of the DPAS in accordance with agency procedures to the Office of Strategic Industries and Economic Security, U.S. Department of Commerce, Room 3876, Washington, DC 20230, Ref: DPAS; telephone: (202) 482–3634 or fax: (202) 482–5650.
