

fine not to exceed \$100,000 and/or imprisonment not to exceed twelve months.

DATES: The supplemental rule will take effect at midnight, August 1, 2000.

SUPPLEMENTARY INFORMATION: This supplemental rule was proposed to create a safer environment for residents living in northwestern Wonder Valley. Residents have complained that rounds from gunfire originating on public land has either caused property damage or nearly caused human injury. During a sixty-day comment period and an open house, many legitimate concerns regarding shooting in Wonder Valley surfaced. Comments received spanned the gamut between closing all of Wonder Valley to all shooting and taking no action. Consensus was, that by closing the 640-acres surrounding the Valle Vista uncontrolled shooting area in northwest Wonder Valley to shooting, the safety concerns of nearby citizens could be met while allowing recreational shooting to continue in other portions of Wonder Valley. The user group for the Valle Vista site will be redirected to controlled ranges or dispersed to contiguous blocks of public land on the fringes of Wonder Valley. This supplemental rule will not infringe upon Constitutional rights of an individual to own or possess a lawful firearm. The environmental effects of the supplemental rule have been analyzed separately by Environmental Assessment CA-680-00-29.
