

DEPARTMENT OF TRANSPORTATION**National Highway Traffic Safety Administration****[Docket No. NHTSA-2005-21267; Notice 1]****The Goodyear Tire & Rubber Company, Receipt of Petition for Decision of Inconsequential Noncompliance**

The Goodyear Tire & Rubber Company (Goodyear) has determined that certain tires it manufactured in 2002-2004 do not comply with S4.3.4(d) of Federal Motor Vehicle Safety Standard (FMVSS) No. 109, "New pneumatic tires."

Pursuant to 49 U.S.C. 30118(d) and 30120(h), Goodyear has petitioned for an exemption from the notification and remedy requirements of 49 U.S.C. Chapter 301 on the basis that this noncompliance is inconsequential to motor vehicle safety.

This notice of receipt of Goodyear's petition is published under 49 U.S.C. 30118 and 30120 and does not represent any agency decision or other exercise of judgment concerning the merits of the petition.

Affected are a total of approximately 6117 Eagle F1 Supercar tires in four different sizes, manufactured from January 2002 to December 2004. S4.3.4(d) of FMVSS No. 109 requires that "each tire shall have permanently molded into or onto both sidewalls * * * (d) The generic name of each cord material used in the plies (both sidewall and tread area) of the tire." The labeling information on the noncompliant tires incorrectly states that one of the tire reinforcement materials is NYLON when the actual material in these tires is ARAMID.

Goodyear believes that the noncompliance is inconsequential to motor vehicle safety and that no corrective action is warranted. Goodyear states that the mislabeling creates no unsafe condition. Goodyear further states that all of the markings related to tire service including load capacity and corresponding inflation pressure are correct, and that the tires meet or exceed all applicable FMVSS performance requirements.

Interested persons are invited to submit written data, views, and arguments on the petition described above. Comments must refer to the docket and notice number cited at the beginning of this notice and be submitted by any of the following methods. *Mail:* Docket Management Facility, U.S. Department of Transportation, Nassif Building, Room PL-401, 400 Seventh Street, SW.,

Washington, DC, 20590-0001. *Hand Delivery:* Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC. It is requested, but not required, that two copies of the comments be provided. The Docket Section is open on weekdays from 10 a.m. to 5 p.m. except Federal holidays. Comments may be submitted electronically by logging onto the Docket Management System Web site at <http://dms.dot.gov>. Click on "Help" to obtain instructions for filing the document electronically. Comments may be faxed to 1-202-493-2251, or may be submitted to the Federal eRulemaking Portal: go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.

The petition, supporting materials, and all comments received before the close of business on the closing date indicated below will be filed and will be considered. All comments and supporting materials received after the closing date will also be filed and will be considered to the extent possible. When the petition is granted or denied, notice of the decision will be published in the **Federal Register** pursuant to the authority indicated below.

Comment closing date: June 30, 2005.

Authority: 49 U.S.C. 30118, 30120; Delegations of authority at CFR 1.50 and 501.8.

Issued on: May 23, 2005.

Ronald L. Medford,

Senior Associate Administrator for Vehicle Safety.

DEPARTMENT OF TRANSPORTATION**National Highway Traffic Safety Administration****[Docket No. NHTSA-2005-21268; Notice 1]****The Goodyear Tire & Rubber Company, Receipt of Petition for Decision of Inconsequential Noncompliance**

The Goodyear Tire & Rubber Company (Goodyear) has determined that certain tires it manufactured in 2005 do not comply with S6.5(b) of Federal Motor Vehicle Safety Standard (FMVSS) No. 119, "New pneumatic tires for vehicles other than passenger cars."

Pursuant to 49 U.S.C. 30118(d) and 30120(h), Goodyear has petitioned for an exemption from the notification and remedy requirements of 49 U.S.C. Chapter 301 on the basis that this noncompliance is inconsequential to motor vehicle safety.

This notice of receipt of Goodyear's petition is published under 49 U.S.C. 30118 and 30120 and does not represent any agency decision or other exercise of judgment concerning the merits of the petition.

Affected are a total of approximately 958 Wrangler AT tires produced from March 7, 2005 to April 4, 2005. S6.5(b) of FMVSS No. 119 requires that each tire shall be marked with "[t]he tire identification number required by part 574 of this chapter." The noncompliant tires should have been marked "DOT PJ10 MPH0 wwy," but were actually marked with one of the following serial codes: DOT 1085 PJ10 MPH0, DOT 1086 PJ10 MPH0, DOT 2013 PJ10 MPH0, or DOT 2014 PJ10 MPH0.

Goodyear believes that the noncompliance is inconsequential to motor vehicle safety and that no corrective action is warranted. Goodyear states that the mislabeling creates no unsafe condition. Goodyear further states that all of the markings related to tire service including load capacity and corresponding inflation pressure are correct, and that the tires meet or exceed all applicable FMVSS performance requirements. Goodyear says that when consumers register these tires in Goodyear's registration database, they can easily be identified in the unlikely event that they would be involved in a tire recall.

Interested persons are invited to submit written data, views, and arguments on the petition described above. Comments must refer to the docket and notice number cited at the beginning of this notice and be submitted by any of the following methods. *Mail:* Docket Management Facility, U.S. Department of Transportation, Nassif Building, Room PL-401, 400 Seventh Street, SW., Washington, DC, 20590-0001. *Hand Delivery:* Room PL-401 on the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC. It is requested, but not required, that two copies of the comments be provided. The Docket Section is open on weekdays from 10 a.m. to 5 p.m. except Federal holidays. Comments may be submitted electronically by logging onto the Docket Management System Web site at <http://dms.dot.gov>. Click on "Help" to obtain instructions for filing the document electronically. Comments may be faxed to 1-202-493-2251, or may be submitted to the Federal eRulemaking Portal: go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.
