DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

National Registry of Evidence-Based Programs and Practices (NREPP): Open Submission Period for Fiscal Year 2011

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.
ACTION: Notice.

SUMMARY: The Substance Abuse and Mental Health Services Administration's (SAMHSA's) mission is to reduce the impact of substance abuse and mental illness on America's communities. The Agency was established in 1992 and directed by Congress to target effective substance abuse and mental health services to the people most in need and to translate research in these areas more effectively and more rapidly into the general health care system. As part of this effort,

SAMHSA has expanded and refined the agency's National Registry of Evidence-based Programs and Practices (NREPP). Two previous notices announcing these changes have been published in the **Federal Register** (70 FR 50381, Aug. 26, 2005; 71 FR 13133, March 14, 2006). Since 2006, SAMHSA has held three open submission periods during which interventions could be submitted for potential review and inclusion on the NREPP Web site (71 FR 37590, June 30, 2006; 72 FR 30814, June 4, 2007). This notice announces the open submission period for Federal Fiscal Year 2011, explains how submissions will be screened and selected, and provides guidance on the submission process for individuals and organizations seeking to have an intervention reviewed and listed on the NREPP Web site. Potential applicants should be aware that this notice includes new information relating to the eligibility of interventions and review process that supersedes guidance provided in earlier **Federal Register** notices.

FOR FURTHER INFORMATION CONTACT:

Kevin D. Hennessy, Ph.D., Science to Service Coordinator/SAMHSA, 1 Choke Cherry Road, Room 7–1041, Rockville, MD 20857, telephone 240–276–2234.

Dated: August 6, 2010.

Administrator, SAMHSA.

Substance Abuse and Mental Health Services Administration's National Registry of Evidence-Based Programs and Practices (NREPP): Open Submission Period for Fiscal Year 2011 Background

The Substance Abuse and Mental Health Services Administration's (SAMHSA) National Registry of Evidence-based Programs and Practices (NREPP) is a voluntary rating system designed to provide the public with reliable information about interventions that promote mental health or prevent or treat mental illness, substance use disorders, or co-occurring disorders. Programs and practices that are accepted for inclusion in the registry undergo two independent review processes in which their (1) quality of research and (2) readiness for dissemination are evaluated and rated. The results of these reviews are published on the NREPP Web site (<http://nrepp.samhsa.gov>).

It should be noted that inclusion in NREPP does not constitute endorsement of an intervention by SAMHSA. Moreover, since NREPP has not reviewed all interventions, the use of
