SUPPLEMENTARY INFORMATION:

The FAA published this direct final rule with a request for comments in the Federal Register on September 12, 2003 (68 FR 53674). The FAA uses the direct final rulemaking procedure for a noncontroversial rule where the FAA believes that there will be no adverse public comment. This direct final rule advised the public that no adverse comments were anticipated, and that unless a written adverse comment, or a written notice of intent to submit such an adverse comment, were received within the comment period, the regulation would become effective on December 25, 2003. No adverse comments were received, and thus this notice confirms that this direct final rule will become effective on that date.

Issued in Kansas City, MO on October 23, 2003.

Interim Final Regulations Implementing Title III, Subtitle A, of Public Health Security and Bioterrorism Preparedness and Response Act of 2002—Section 305: Registration of Food Facilities and Section 307: Prior Notice of Imported Food Shipments; Notice of Public Meeting; Correction

AGENCY: Food and Drug Administration, HHS.

ACTION: Public meetings on interim final rules; correction.

SUMMARY: The Food and Drug Administration (FDA) is correcting a document that announced a series of domestic meetings to discuss the interim final regulations, issued on October 10, 2003, to implement two sections of the Public Health Security and Bioterrorism Preparedness and Response Act of 2002 (Bioterrorism Act) regarding the registration of food facilities and prior notice of imported food shipments. The document that published in the Federal Register of October 28, 2003 (68 FR 61340), contained an error. This document corrects that error.

Special Local Regulations; World Championship Super Boat Race, Deerfield Beach, FL

AGENCY: Coast Guard, DHS. **ACTION:** Temporary final rule.

SUMMARY: Temporary special local regulations are being established for the World Championship Super Boat Race held offshore of Deerfield Beach, Florida. These special local regulations restrict the movement of nonparticipating vessels in the regulated race area and provide for a viewing area for spectator craft. This rule is needed to provide for the safety of life on navigable waters during the event.

DATES: This rule is effective from 11 a.m. on November 4, 2003, until 4 p.m. on November 9, 2003.

ADDRESSES: Documents indicated in the preamble as being available in the docket are part of docket [CGD07–03– 099] and are available for inspection or copying at Coast Guard Group Miami, 100 MacArthur Causeway, Miami Beach, FL 33139 between 8 a.m. and 4:30 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Chief Daniel Vaughn, Coast Guard Group Miami, FL at (305) 535–4317.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing an NPRM, which would incorporate a comment period before a temporary rule could be issued, would be impracticable and contrary to public interest since immediate action is needed to minimize the potential danger to the public posed by the powerboat race and the number of expected spectator craft. For the same reasons, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

Background and Purpose

Super Boat International Productions Inc. is sponsoring a high speed power boat race that will take place on November 4, 6, and 9, 2003, from 11 a.m. until 4 p.m. in the Atlantic Ocean off Deerfield Beach, Florida. The race organizers anticipate 80 participants and 200 spectator craft. The event will take place outside of the marked channel and will not interfere with commercial shipping. Recreational vessels and fishing vessels normally operate in the waters being used for the event. This rule is required to provide for the safety of life on navigable waters because of the inherent dangers associated with power boat races. The rule prohibits non-participating vessels from entering the regulated race area offshore of Deerfield Beach, Florida during the event. A Coast Guard Patrol Commander will be present during this event to monitor compliance with this regulation.

Discussion of Rule

This rule will create two regulated areas, a race area and a viewing area. These regulated areas assist in providing for the safety of life on navigable waters and minimizing the inherent dangers associated with power boat races. These dangers include race craft traveling at high speeds in close proximity to one other, and in relatively close proximity to spectator craft. Due to these concerns, public safety requires the creation of these two regulated areas.

Regulatory Evaluation

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS). The rule will be in place in a limited area offshore of Deerfield Beach, Florida. Although the rule will be effective from November 4 until November 9 the rule will only be enforced on November 4, 6 and 9, from 11 a.m. until 4 p.m. each day, corresponding with the scheduled races.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule will have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

This rule may affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit or anchor in a portion of the Atlantic Ocean near Deerfield Beach, Florida from 11 a.m. until 4 p.m. on November 4, 6, and 9, 2003. The Coast Guard certifies under U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities because this rule will be in effect for a limited duration, the rule regulates a very small area, and commercial and recreational vessels may be allowed to transit through the zone during breaks in the racing. Moreover, all vessel traffic can pass safely around the zone. Before the effective period, we will issue maritime advisories over VHF-FM radio to allow the maritime community to plan accordingly.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104– 121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process. Small entities may contact the person listed under FOR FURTHER INFORMATION CONTACT for assistance in understanding and participating in this rulemaking.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1– 888-REG-FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501– 3520).
