Professional Standards for State and Local School Nutrition Programs Personnel as Required by the Healthy, Hunger-Free Kids Act of 2010

AGENCY: Food and Nutrition Service (FNS), USDA.

ACTION: Final rule; correction.

SUMMARY: This document contains a correction to the final rule published in the *Federal Register* on March 2, 2015, “Professional Standards for State and

Local School Nutrition Programs Personnel as Required by the Healthy, Hunger-Free Kids Act of 2010.”

DATES: *Effective date:* This document is effective July 1, 2015. Compliance with the final rule must begin July 1, 2015, except as noted in specific regulatory provisions.

FOR FURTHER INFORMATION CONTACT: Julie Brewer, School Programs Branch, Policy and Program Development Division, Food and Nutrition Service, at (703) 305–2590.

SUPPLEMENTARY INFORMATION: The Food and Nutrition Service published a final rule in the *Federal Register*, 80 FR 11077, on March 2, 2015, to establish professional standards for State and local school nutrition program personnel. The final rule omitted part of a criterion from the hiring standards established in 7 CFR 210.30(b) for local educational agencies with 2,499 or fewer enrolled students. This document corrects the oversight by providing the missing regulatory text for 7 CFR 210.30(b)(1)(i)(B) and the summary chart in 7 CFR 210.30(b)(2). This document also makes a technical correction in 7 CFR 210.30(b)(3) to ensure readers clearly understand the annual training standards for school

nutrition program directors. All other information in the final rule remains unchanged.
