Concurring Opinion of Commissioner Blair. I concur in the establishment of the docket to hear the appeal of the closing of the Sundance retail station located in Steamboat Springs, Colorado. The appeal appears to have met the preliminary test of being filed within the timeline prescribed by the statute.

However, I have serious concerns about this docket and its timing. These concerns include how this case might impact the Commission's deliberations and anticipated decision in the proceeding regarding an advisory opinion on the Postal Service Station and Branch Optimization and Consolidation Initiative, Docket No. N2009-1 and whether the Commission's consideration of this appeal may preempt issues raised in Docket No. N2009-1. It also comes at the time the Commission is receiving public comment on its public investigation into post office suspensions, Docket No. PI2010-1.

By the Commission.
Shoshana M. Grove,
Secretary.
