AGENCY: United States Air Force, Air Force Materiel Command, Air Force Special Operations Command.

ACTION: Notice of Intent.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969 (NEPA, 42 United States Code [USC] 4321-4347), the Council on Environmental Quality (CEQ) NEPA Regulations (40 Code of Federal Regulations [CFR] Parts 1500-1508), and the United States Air Force's (Air Force) Environmental Impact Analysis Process (EIAP, 32 CFR Part 989), the Air Force is issuing this notice to advise the public of its intent to prepare a Supplemental Environmental Impact Statement (SEIS) for the Military Housing Privatization Initiative (MHPI) at Eglin AFB, Florida and Hurlburt Field, Florida.

This NOI describes the Air Force's proposed alternatives, scoping process, and identifies the Air Force's point of contact. As part of the SEIS, the Air Force will analyze potential environmental impacts associated with the alternatives for the MHPI, including a No Action Alternative. This is the fourth revision to the SEIS, which will describe the changes in the alternative development process used to identify potential parcels of land for the MHPI, consider F-35 aircraft noise profiles, identify new alternatives resulting from this process, and identify the potential impacts to the affected environment from MHPI.
