

of a point in position 40°36'30" N, 074°02'14" W (NAD 83), approximately 70-yards southeast of the Verrazano Bridge Brooklyn tower.

(b) *Regulations.* (1) The general regulations contained in 33 CFR 165.23 apply.

(2) Entering into, transiting through, diving, dredging, dumping, fishing, trawling, conducting salvage operations, remaining within or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port (COTP) New York or the designated on-scene representative.

(3) The "designated on-scene representative" is any Coast Guard commissioned, warrant, or petty officer who has been designated by the COTP New York.

(4) Vessel operators desiring to enter or operate within the safety zone may contact the COTP New York or the designated representative at the Coast Guard Sector New York Command Center via VHF Channel 16 or by phone at (718) 354-4353 to request permission.

(5) Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the COTP New York or the on-scene representative.

Dated: May 11, 2011.

L.L. Fagan,

Captain, U.S. Coast Guard, Captain of the Port New York.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2011-0391]

RIN 1625-AA00

Safety Zone; Ocean City Air Show, Atlantic Ocean, Ocean City, MD

AGENCY: Coast Guard, DHS.

ACTION: Temporary Final rule.

SUMMARY: The Coast Guard will establish a temporary safety zone on the Atlantic Ocean in the vicinity of Ocean City, MD to support the Ocean City Air Show. This action is necessary to provide for the safety of life on navigable waters during the Ocean City Air Show. This action is intended to restrict vessel traffic movement on the Atlantic Ocean to protect mariners from the hazards associated with air show events.

DATES: This rule is effective from 10 a.m. on June 10, 2011, until 4 p.m. on June 12, 2011.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2011-0391 and are available online by going to <http://www.regulations.gov>, inserting USCG-2011-0391 in the "Keyword" box, and then clicking "Search." They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or e-mail LT Michael DiPace, Waterways Management Division Chief, Sector Hampton Roads, Coast Guard; telephone 757-668-5581, e-mail Michael.S.DiPace@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because any delay encountered in this regulation's effective date by publishing a NPRM would be contrary to public interest since immediate action is needed to provide for the safety of life and property on navigable waters.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest since immediate action is needed to ensure the safety of the event participants, spectator craft, and other vessels transiting the event area.

Background and Purpose

Coast Guard Sector Hampton Roads has been notified that on June 10, 11,

and 12, 2011, Ocean City, MD will host an air show event above the Atlantic Ocean between Talbot Street and 33rd Street in Ocean City, MD. In recent years, there have been unfortunate instances of jet and plane crashes during performances at air shows. Typical of jet or plane crashes, there is also a wide area of scattered debris that damages property and could cause significant injury or death. Due to the need to protect mariners and the public transiting the Atlantic Ocean immediately below the air show from hazards associated with the air show, the Coast Guard is establishing a temporary safety zone bound by the following coordinates: 38°21'38" N/075°04'04" W, 38°21'27" N/075°03'29" W, 38°19'35" N/075°04'19" W, 38°19'45" N/075°04'54" W (NAD 1983). Access to this area will be temporarily restricted for public safety purposes.

Discussion of Rule

The Coast Guard is establishing a temporary safety zone on the navigable waters of the Atlantic Ocean bound by the following coordinates: 38°21'38" N/075°04'04" W, 38°21'27" N/075°03'29" W, 38°19'35" N/075°04'19" W, 38°19'45" N/075°04'54" W (NAD 1983), in the vicinity of Talbot Street and 33rd Street in Ocean City, MD.

This safety zone is in the interest of public safety during the Ocean City Air Show and will be enforced from 10 a.m. until 4 p.m. on June 10, 2011, from 10 a.m. until 4 p.m. on June 11, 2011, and from 10 a.m. until 4 p.m. on June 12, 2011. Access to the safety zone will be restricted during the specified dates and times. Except for vessels authorized by the Captain of the Port or his Representative, no person or vessel may enter or remain in the safety zone.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. Although this regulation restricts access to the safety zone, the effect of this rule will not be significant because: (i) The safety zone will be in effect for a limited duration; (ii) the zone is of

limited size; (iii) mariners may transit the waters in and around this safety zone at the discretion of the Captain of the Port or designated representative; and (iv), the Coast Guard will make notifications via maritime advisories so mariners can adjust their plans accordingly.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

The rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor on the Atlantic Ocean in the vicinity of Ocean City, MD from 10 a.m. until 4 p.m. on June 10, 2011, from 10 a.m. until 4 p.m. on June 11, 2011, and from 10 a.m. until 4 p.m. on June 12, 2011.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: (i) The safety zone will only be in place for a limited duration and limited size. (ii) Before the enforcement period of June 10, 2011 to June 12, 2011, maritime advisories will be issued allowing mariners to adjust their plans accordingly.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offer to assist small entities in understanding the rule so that they can better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman

and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not affect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to

health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a

category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2-1, paragraph (34)(g), of the Instruction. This rule involves establishing a temporary safety zone. An environmental analysis checklist and a categorical exclusion determination will be available in the docket where indicated under

ADDRESSES.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 subpart C as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701; 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add Temporary § 165.T05-0391, to read as follows:

§ 165.T05-0391 Safety Zone; Ocean City Air Show, Atlantic Ocean, Ocean City, MD

(a) *Regulated area.* The following area is a safety zone: Specified waters of the Atlantic Ocean bound by the following coordinates: 38°21'38" N/075°04'04" W, 38°21'27" N/075°03'29" W, 38°19'35" N/075°04'19" W, 38°19'45" N/075°04'54" W (NAD 1983), in the vicinity of Ocean City, Maryland.

(b) *Definition:* For purposes of enforcement of this section, *Captain of the Port Representative* means any U.S. Coast Guard commissioned, warrant or petty officer who has been authorized by the Captain of the Port, Hampton Roads, Virginia to act on his behalf.

(c) *Regulation.* (1) In accordance with the general regulations in 165.23 of this part, entry into this zone is prohibited unless authorized by the Captain of the Port, Hampton Roads or his designated representatives.

(2) The operator of any vessel in the immediate vicinity of this safety zone shall:

(i) Stop the vessel immediately upon being directed to do so by any commissioned, warrant or petty officer on board a vessel displaying a U.S. Coast Guard Ensign; and

(ii) Proceed as directed by any commissioned, warrant or petty officer

on board a vessel displaying a U.S. Coast Guard Ensign.

(3) The Captain of the Port, Hampton Roads, Virginia can be contacted at telephone number (757) 638-6637.

(4) U.S. Coast Guard vessels enforcing the safety zone can be contacted on VHF-FM marine band radio, channel 13 (156.65 MHz) and channel 16 (156.8 MHz).

(d) *Enforcement period.* This rule will be enforced from 10 a.m. until 4 p.m. on June 10, 2011, from 10 a.m. until 4 p.m. on June 11, 2011, and from 10 a.m. until 4 p.m. on June 12, 2011.

Dated: May 16, 2011.

Mark S. Ogle,

Captain, U.S. Coast Guard, Captain of the Port Hampton Roads.

BILLING CODE 9110-04-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R03-OAR-2010-1082; FRL-9313-1]

Approval and Promulgation of Air Quality Implementation Plans; Pennsylvania; Determination of Attainment for the Pittsburgh-Beaver Valley 8-Hour Ozone Nonattainment Area

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: EPA is making a final determination that the Pittsburgh-Beaver Valley 8-hour ozone nonattainment area (the Pittsburgh Area) has attained the 1997 8-hour ozone national ambient air quality standards (NAAQS). This determination is based upon complete, quality assured, and certified ambient air monitoring data that show the area has monitored attainment of the 1997 8-hour ozone NAAQS for the 2007 to 2009 monitoring period. Complete, quality-assured air monitoring data available for 2010 in EPA's Air Quality System (AQS) are consistent with continued attainment. In accordance with EPA's applicable ozone implementation rule, this determination suspends the obligation of the Commonwealth of Pennsylvania to submit an attainment demonstration and associated reasonably available control measures (RACM), a reasonable further progress (RFP) plan, contingency measures, and other planning requirements related to attainment of the 1997 8-hour ozone NAAQS for the Pittsburgh Area for as long as the

nonattainment area continues to meet the 1997 8-hour ozone NAAQS. This determination of attainment is not equivalent to a redesignation to attainment. The State must still meet the statutory requirements for redesignation in order to be redesignated to attainment. This action is being taken under the Clean Air Act (CAA).

DATES: *Effective Date:* This final rule is effective on June 30, 2011.

ADDRESSES: EPA has established a docket for this action under Docket ID Number EPA-R03-OAR-2010-1082. All documents in the docket are listed in the <http://www.regulations.gov> Web site. Although listed in the electronic docket, some information is not publicly available, i.e., confidential business information (CBI) or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the Internet and will be publicly available only in hard copy form. Publicly available docket materials are available either electronically through <http://www.regulations.gov> or in hard copy for public inspection during normal business hours at the Air Protection Division, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, Pennsylvania 19103.

FOR FURTHER INFORMATION CONTACT: Maria A. Pino, (215) 814-2181, or by e-mail at pino.maria@epa.gov.

SUPPLEMENTARY INFORMATION:

I. Background

On February 7, 2011 (76 FR 6590), EPA published a notice of proposed rulemaking (NPR), proposing to determine that the Pittsburgh Area has attained the 1997 8-hour ozone NAAQS. The Pittsburgh Area is composed of Allegheny, Armstrong, Beaver, Butler, Fayette, Washington, and Westmoreland Counties in Pennsylvania. EPA's determination is based upon complete, quality-assured, quality-controlled, and certified ambient air quality monitoring data for the years 2007 to 2009 showing that the Pittsburgh Area has monitored attainment of the 1997 8-hour ozone NAAQS. Complete air quality monitoring data for 2010 in AQS also show continued attainment.

II. Summary of Action

EPA is determining that the Pittsburgh Area has attained the 1997 8-hour ozone NAAQS based on 2007 to 2009 complete, quality-assured, and certified ambient air quality monitoring data. Data for 2010 are consistent with continued attainment. As provided in 40 CFR 51.918, a final determination of
