SSI Shredding Systems, Inc. submitted a notification of proposed

production activity to the FTZ Board (the Board) for its facilities in Wilsonville and Portland, Oregon within Subzone 45J. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on April 11, 2025.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material(s)/ component(s) and specific finished product(s) described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via www.trade.gov/ftz.

The proposed finished products include: customized industrial shredding machines; customized industrial compactor machines; industrial cutting blades; drive shafts; spacers; drive assemblies; hydraulic units; steel frame weldments; bearing assemblies; machined steel parts for shredders and compactors; gears; hoppers; hoods; guards; shields; screens; platforms; and, cleaning fingers (duty rate—free).

The proposed foreign-status materials/components include: alloy steel blanks for cutting blades; hydraulic cylinders; steel frame weldments; steel blanks for structural framing; heavy wall round steel tubing; steel round bar; steel rectangular bar; tapered roller bearings; and, spherical roller bearings (duty rate—free or 5.8%). The applicable section 1702, section 232 and section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign (PF) status (19 CFR 146.41). The request also indicates that certain bearings are subject to an antidumping/ countervailing duty (AD/CVD) order/ investigation if imported from China. The Board's regulations (15 CFR 400.13(c)(2)) require that merchandise subject to AD/CVD orders, or items which would be otherwise subject to suspension of liquidation under AD/CVD procedures if they entered U.S. customs territory, be admitted to the zone in PF status.
