

(4) Representations. Hallowell may make representations about the energy use of its boosted compression three-stage central air conditioners and heat pump products, for compliance, marketing, or other purposes, only to the extent that such products have been tested in accordance with the provisions outlined above, and such representations fairly disclose the results of such testing.

(5) This waiver shall remain in effect from the date of issuance of this order consistent with the provisions of 10 CFR 430.27(m).

(6) This waiver is conditioned upon the presumed validity of statements, representations, and documentary materials provided by the petitioner. This waiver may be revoked or modified at any time upon a determination that the factual basis underlying the petition for waiver is incorrect, or DOE determines that the results from the alternate test procedure are unrepresentative of the basic models' true energy consumption characteristics.

Issued in Washington, DC, on January 29, 2010.

Cathy Zoi,  
Assistant Secretary, Energy Efficiency and Renewable Energy.
