In order to fulfill its mission, the Federal Emergency Management Agency (FEMA) Community Preparedness Division (CPD) seeks to establish a network of State, local, and Tribal Citizen Corps Councils that will coordinate activities, including Community Emergency Response Teams, at these levels. The Citizen Corps Council Registration Form will allow FEMA and State personnel to ensure that prospective Councils/CERTs have the support of the appropriate government officials in their area, ensure a dedicated coordinator is assigned to the Council, and will provide an efficient way to track the effectiveness of the nationwide network of Councils and CERTs. This revised registration process will allow the

Community Preparedness Division to collect information that is more usable and provide a more efficient way to track the effectiveness of the nationwide network of Councils and CERTs and make it easier for Councils to register or update information.
