SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that the company subject to this countervailing duty administrative review of passenger vehicle and light truck tires (PVL T tires) from the Socialist Republic of Vietnam (Vietnam)

received countervailable subsidies during the period of review (POR), November 10, 2020, through December 31, 2021. Additionally, Commerce is rescinding the review with respect to three companies. Interested parties are invited to comment on these preliminary results.

DATES: Applicable July 21, 2023.

Thomas Schauer, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0410.

SUPPLEMENTARY INFORMATION:

Background

On July 19, 2021, Commerce published in the **Federal Register** the countervailing duty order on PVL T tires from Vietnam.¹ On July 1, 2022, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the Order for the POR.² Between July 29 and August 1, 2022, we received timely requests from multiple parties to conduct an administrative review of the Order.³ On September 6, 2022, we published in the **Federal Register** a notice of initiation for this administrative review.⁴ On March 13, 2023, Commerce extended the deadline for the preliminary results of this review by 117 days to July 28, 2023.⁵

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁶ A list of topics discussed in the Preliminary Decision Memorandum is provided in the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly

at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The scope of the Order covers PVL T tires from Vietnam. For a complete description of the scope of the Order, see the Preliminary Decision Memorandum.

Methodology

We are conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, i.e., a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum.

Partial Preliminary Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Commerce received withdrawal requests with respect to Sailun (Vietnam) Co., Ltd. (Sailun), Kumho Tire (Vietnam) Co., Ltd. (KTV), and Kumho Tire Co., Inc. (KTCL).⁸ Because the withdrawal requests were timely filed and no other parties requested reviews of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the Order for Sailun, KTV, and KTCL.⁹

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends, upon publication of the final results, to instruct U.S. Customs and Border Protection (CBP) to collect cash deposits of estimated countervailing duties in the amounts calculated in the final results of this review for the company listed above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. If the rate calculated in the final results for 2021 is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed companies, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate (*i.e.*, 6.46 percent)¹⁰ or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Assessment Rates

Upon issuance of the final results of this administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. For Sailun and KTCI, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at the rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period November 10, 2020, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). With respect to KTV, entries produced and/or exported by KTV during the period November 10, 2020, through December 31, 2021, are enjoined from liquidation;¹¹ as a result, we will issue the appropriate

liquidation instructions for KTV once the statutory injunction is lifted.

For Bridgestone Tire Manufacturing Vietnam, LLC (Bridgestone), the only company subject to this review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).
