

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Institute of Arthritis and Musculoskeletal and Skin Diseases; Notice of Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of a meeting of the National Arthritis and Musculoskeletal and Skin Diseases Advisory Council.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Arthritis and Musculoskeletal and Skin Diseases Advisory Council.

Date: September 28, 2010.

Open: 8:30 a.m. to 12 p.m.

Agenda: To discuss administrative details relating to the Council's business and special reports.

Place: National Institutes of Health, Building 31, 31 Center Drive, Conference Room 6, Bethesda, MD 20892.

Closed: 1 p.m. to 5 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, Building 31, 31 Center Drive, Conference Room 6, Bethesda, MD 20892.

Contact Person: Laura K. Moen, PhD, Director, Division of Extramural Research Activities, NIAMS/NIH, 6701 Democracy Blvd., Suite 800, Bethesda, MD 20892, (301)-451-6515, moenl@mail.nih.gov.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one

form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Statement of Organization, Functions and Delegations of Authority

This notice amends Part R of the Statement of Organization, Functions and Delegations of Authority of the Department of Health and Human Services (HHS), Health Resources and Services Administration (HRSA) (60 FR 56605, as amended November 6, 1995; as last amended at 75 FR 36104-36105 dated June 24, 2010).

This notice reflects organizational changes in the Health Resources and Services Administration. Specifically, this notice updates functional statement for the Maternal and Child Health Bureau (RM) by adding functions for programs authorized under the Affordable Care Act, and renames the Office of Data and Program Development (RM7) to the Office of Epidemiology, Policy and Evaluation (RM7).

Chapter RM—Maternal and Child Health Bureau

Section RM-10, Organization

Delete in its entirety and replace with the following:

The Office of the Associate Administrator (RM) is headed by the Associate Administrator, Maternal and Child Health Bureau (MCHB), who reports directly to the Administrator, Health Resources and Services Administration. MCHB includes the following components:

- (1) Office of the Associate Administrator (RM);
- (2) Office of Operation and Management (RM1);
- (3) Division of Services for Children with Special Health Needs (RM2);
- (4) Division of Child, Adolescent and Family Health (RM3);
- (5) Division of Research, Training and Education (RM4);
- (6) Division of Healthy Start and Perinatal Services (RM5);

- (7) Division of State and Community Health (RM6); and
- (8) Office of Epidemiology, Policy and Evaluation (RM7).

Section RM-20, Functions

(1) Delete the functional statement for the Maternal and Child Health Bureau (RM) and replace in its entirety; and (2) rename the Office of Data and Program Development (RM7) to the Office of Epidemiology, Policy and Evaluation (RM7).

Office of the Associate Administrator (RM)

Provides national leadership and policy direction for Maternal and Child Health Bureau (MCHB) programs. These programs are designed to improve the health of women of childbearing age, infants, children, adolescents and their families, children with special health needs, and persons with hemophilia. Specifically, MCHB: (1) Coordinates the planning, development, implementation, and evaluation of the programs and activities of the Bureau; (2) facilitates effective, collaborative relationships with other health and related programs; (3) establishes a program mission, goals, objectives, and policy with broad Administration guidelines; (4) serves as the focal point for managing the Bureau-wide strategic planning operation as it relates to long and short range programmatic goals and objectives for the Bureau; (5) arranges and provides technical assistance to assure that the grantees meet program expectations; (6) serves as principal contact point to HRSA, the Department, Office of Management and Budget (OMB), and the White House on matters concerning the health status of America's mothers and children; and (7) provides information and reports on the Bureau's programs to public, health, education and related professional associations, the Congress, other Federal agencies, OMB, and the White House.

Office of Operations and Management (RM1)

The Office of Operations and Management (OOM) plans, directs, coordinates, and evaluates Bureau-wide administrative and management activities; coordinates and monitors program and administrative policy implementation, and maintains close liaison with officials of HRSA and the Office of the Secretary on matters relating to these activities. Specifically, OOM: (1) Serves as the Associate Administrator's and Bureau's principal source for management and administrative advice and assistance; (2) provides or serves as liaison for program

support services; (3) provides leadership on intergovernmental activities of the Bureau which requires administrative direction or intergovernmental activities of the Bureau, requiring central direction of cross-cutting administrative issues affecting program activities; (4) participates in the development of strategic plans, regulatory activities, policy papers, and legislative proposals relating to MCH programs; (5) plans, coordinates and facilitates the Bureau's Agency agreement activities; (6) coordinates human resource activities for the Bureau; (7) provides guidance to the Bureau on financial management activities; (8) determines State allocations of MCH Block Grant funds based on formula and current census data; (9) provides organization and management analysis, develops policies and procedures for internal operation, and interprets and implements the Administration's management policies, procedures and systems; (10) coordinates the Bureau's program and administrative delegations of authority activities; (11) provides staff services in operation planning and program analysis; (12) is responsible for paperwork management functions, including the development and maintenance of Bureau manual issuances; (13) provides direction regarding new developments in office management activities; and (14) coordinates Bureau funds and resources for grants, contracts and cooperative agreements.

Division of Services for Children With Special Health Needs (RM2)

The Division of Services for Children with Special Health Needs (DSCSHN) provides national leadership in planning, directing, coordinating, monitoring, and evaluating national programs focusing on the promotion of health and prevention of disease among children with special health care needs (CSHCN) and their families, with special emphasis on the development and implementation of family-centered, comprehensive, care-coordinated, community-based and culturally competent systems of care for such populations. Specifically, DSCSHN carries out the following activities: (1) Administers a program that supports the development of systems of care and services for CSHCN and their families; (2) develops policies and guidelines and promulgates standards for professional services and effective organization and administration of health programs for CSHCN and their families; (3) accounts for the administration of funds and other resources for grants, contracts and programmatic consultation and
