

Catawba, North Carolina. The workers are engaged in activities related to the production of coaxial cable and coax products for the cable television industry. The notice was published in the **Federal Register** on October 26, 2011 (76 FR 66329).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information shows that workers from Cable Transport, Inc. were employed on-site at the Catawba, North Carolina location of CommScope, Inc., Catawba Facility, a subsidiary of the Carlyle Group. The Department has determined that these workers were sufficiently under the control of CommScope, Inc., Catawba Facility, a subsidiary of the Carlyle Group to be considered leased workers.

The intent of the Department's certification is to include all workers of the subject firm adversely affected by increased company imports of coaxial cable and coax products for the cable television industry.

Based on these findings, the Department is amending this certification to include workers from Cable Transport, Inc. working on-site at the Catawba, North Carolina location of the subject firm.

The amended notice applicable to TA-W-80,307 is hereby issued as follows:

All workers of CommScope, Inc., Catawba Facility, a subsidiary of the Carlyle Group, including on-site leased workers from Staffmasters, including on-site workers from Cable Transport, Inc., Catawba, North Carolina (TA-W-80,307) and CommScope, Conover Facility, a subsidiary of the Carlyle Group, including remote workers reporting to Conover, North Carolina, including on-site leased workers from Staffmasters, Conover, North Carolina (TA-W-80,307A), who became totally or partially separated from employment on or after July 20, 2010, through October 13, 2013, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC, this 16th day of February 2012.

**Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance**

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

81,257 .....	World of Flowers, Inc .....	Oxford, AL.	

The following determinations terminating investigations were issued because the Department issued a negative determination on petitions related to the relevant investigation

period applicable to the same worker group. The duplicative petitions did not present new information or a change in circumstances that would result in a reversal of the Department's previous

negative determination, and therefore, further investigation would duplicate efforts and serve no purpose.

TA-W No.	Subject firm	Location	Impact date
81,273 .....	Sunoco, Inc., 10 Industrial Highway, MS4, Building G .....	Lester, PA.	

I hereby certify that the aforementioned determinations were issued during the period of *February 6, 2012 through February 10, 2012*.
